We would love for you to join the PTA. However, we understand that it may not be possible. If you are not able to join, please consider volunteering at the school. It is not necessary to be a PTA member to volunteer.

**Parents, Grandparents, neighbors or friends are encouraged to join. Everyone who volunteers will need to fill out a form at the office and pass a background check.*

Wide Hollow PTA is dedicated to working with parents, students, staff and the community to make Wide Hollow the best it can be. Your support is invaluable in helping to create a fun, inspiring and educational, supportive learning environment for our children. By choosing to join the PTA, you are choosing to have a voice in some of the following decisions:

- Playground Equipment
- School Programs
- Future Events

- So much more...

Please consider making a tax deductible donation directly to Wide Hollow PTA, which operates as a 501c charitable organization.
