Dear Mars Area Parent(s)/Guardian(s),

The official reports from the most recent air quality and other related testing conducted by Accredited Environmental Technologies Inc. (AET) at Mars Area Elementary School are posted on Mars Area School District's website, www.marsk12.org.

The District is in the process of scheduling duct work cleaning at Mars Area Elementary School. Additional testing will take place once the cleaning process has been completed. All additional test results will be posted to the District's website once the final reports are received.

Thank you.

Dr. Wesley Shipley
Superintendent
