

## Meet the Dover Middle School PTA

My name is [Kimberly Alexander](#) and this is my third year serving as the co-President of the DMS PTA. I have a daughter in 8th grade and have been involved in the PTA since she was in 5th grade. Being part of the PTA has enabled me to better understand the school, while also getting to know Principal Lyndes and other teachers. In addition to this role, I am the Director of Materials Management at Wentworth-Douglass Hospital. In my spare time, I love to golf, hike and spend time with my family. I would encourage anyone interested in becoming involved in the PTA to please come to our meetings. We would love to have you as part of our team.

My name is [Jennifer Martin](#) and this is my second year serving as the co-President of the DMS PTA. I started my volunteer journey at Woodman Park School as the Treasurer for 5 years and wanted to stay involved when my daughter, now entering 6<sup>th</sup> grade started Middle school. I also have a 16-year old son who is entering his junior year at DHS. Volunteering at the Dover Schools has been an enriching experience for my whole family, connecting us to the educators, staff, and other families and making it easy to navigate resources to enrich our child's K-12 years. In addition to helping make fun things happen at DMS, I am also a marketing professional at Microsoft.

My name is [Rafaela Gal](#) and this is my third year as Treasurer of the DMS PTA. I have three children: Matteo who is entering 8th grade, Giulia who is in 6th grade and Giovanna who is 17 months old. My family is from Brazil and I have always been fascinated by the difference in the public schools here in the US. Volunteering on the board of the DMS PTA has been a great opportunity for me to understand how to navigate the education system and it has also allowed me to meet wonderful educators, staff and parents. I'm fortunate to be part of an organization that benefits my children and even more so, that benefits their education.
