

Get ready for the Kids Heart Challenge!

Event/Envelope Due Date: Weds. February 20th

Dear Parent or Guardian,

Our school is proud to partner with the American Heart Association again this year! In the past, we participated in Jump Rope For Heart and this year we're kicking off the Kids Heart Challenge! We're excited to continue jumping rope to help those with special hearts! Did you know that heart disease is the No. 1 killer of all Americans, 80% of it may be preventable through lifestyle changes? The Kids Heart Challenge program and its educational resources will teach your child the importance of developing heart-healthy habits which can serve a foundation for the rest of his/her life. In addition, students will participate in cardio-challenges, pledge to improve their own health and build their character, all while raising live-saving funds to help save and improve lives. There is even a parent corner with tips on keeping your children healthy at home!

You child will also feel good about participating in a community service project that will help the American Heart Association fund research, advocacy and education initiatives that save lives in our community. In addition, our school can earn money for PE equipment and your child earns fun thank you gifts that encourage him/her to keep up the good work for heart health. And that's something to jump up and down about!

Here's how it works:

- Your child has received his/her fundraising envelope. Start by setting up a personal fundraising page at www.heart.org/kidsheartchallenge or download the Kids Heart Challenge mobile app—**check out the envelope for easy instructions. DON'T FORGET TO TAKE THE HEALTH CHALLENGE!**
- Ask family and friends if they'd like to donate. Not sure what to say? Your child can use the simple script on the collection envelope.
- Encourage your child to get active and have fun at his or her school event!

I hope you are as excited as I am to support our students in this important experience. **Mr. Speelman**

NEW!

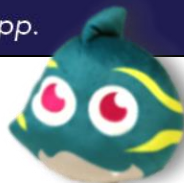

Bring your Heart Heroes to life!

Search "Kids Heart Challenge" in your app store to download the **free mobile app** and see your sticker, wristband, and Heart Heroes juggle, dance, jump and play!

Bring your sticker to life with your app.

Bonus Incentive—Raise \$40 or more online and you'll be entered into a raffle to earn a Plush Finn Pillow! Plus...the class with the highest participation (% of students making a donation) earns a PE Class where they can pick the activity!

TURN OVER FOR MORE INFO.

Here's Your Homework

Help your child set up a personal fundraising page. They will earn a fun glow-in-the-dark wristband just for registering and taking the health challenge.

Here's what to do:

- Visit heart.org/kidsheartchallenge, or search “kidsheartchallenge” in your app store and download the app. Find your school and join the team. *(Even if you've participated before, you'll need to start by finding your school.)* (image 1)
- Select whether you're a new or returning participant. If you're new, fill out the form to set up your account. If you're returning, enter your user name and password and update your information. *(Hint: Make sure your username and password are easy to remember since you'll be able to use them again next year.)*

Now you and your child are ready to have some fun by customizing his/her personal fundraising page.

- Track your progress and kick things off with your own personal donation. (image 2)
- Send emails and ecards asking for donations. (image 3)
- In your app store, you can fundraise unlock your heart heroes, play games and more!

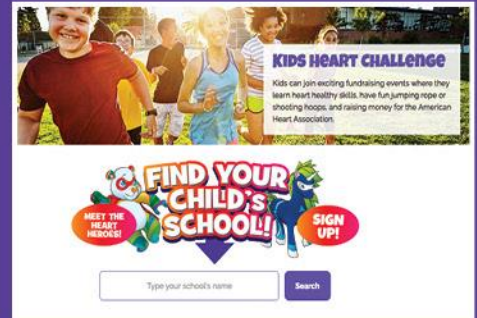

Plus, each time your child visits the headquarters, he or she will see badges earned and have a chance to unlock special surprises. More visits mean more chances to share messages about heart health and raise funds for the American Heart Association.

PS: Always fundraise the smart and safe way. Do not go door-to-door or ask strangers for donations. Please convert cash donations into checks payable to the American Heart Association and ask your donors if their employers match employees' contributions!
