

Listen up if you ordered from our Fall Plant Sale!

First off, THANK YOU for supporting our school!

Second, they will be available for pick up next week on Monday, October 7th from 12- 3pm in the hallway outside the 5th & 8th grade classrooms (for those with younger children this is just down the hall from the gym before you get to the church connection). There is also a side door to access the outside. Myself and a helper will be there to assist you.

I've also included a link here how to care for your mums!
