Dear Parents,

In the Vallivue School District, your child(ren)'s safety is of utmost importance to us. In our ongoing efforts to keep your child(ren) safe at school, we continue to add layers of safety to our school safety systems. This year we are focusing our efforts on ensuring that all adults who work or play in our schools are safe, upstanding citizens. To do this, we are requiring that all school volunteers or frequent visitors be fingerprinted for a criminal background check.

If you are a current volunteer, plan to volunteer or frequently visit one of our schools, please call our District Office at 454-0445 to set up an appointment to have your fingerprints taken. A charge of \$25.75 will be assessed to you at the time of fingerprinting. HOWEVER, if you volunteer in one of our schools ten or more times during a school year, the District will reimburse you for this upfront cost.

We appreciate your understanding of this focused effort. Again, our ultimate goal is your child(ren)'s safety within the Vallivue School District. If you have questions or concerns, please contact the Principal at your child(ren)'s school.

Sincerely,

*Lisa Boyd*

Lisa Boyd, Ed.S.

Assistant Superintendent
