Saint Mary’s High School Green Machine
Code of Conduct

Saint Mary’s High School believes that our students should always conduct themselves as responsible representatives of the school, whether it be in the classroom, on the field, or spectating at a game. In order to assure the integrity of Saint Mary’s High School, the Code of Conduct as stated in the Parent/Student Handbook will be enforced at all school events, including sporting events. Furthermore, matters which are brought to the attention of the Dean of Students concerning members of Green Machine who fail to behave appropriate are subject to disciplinary action by the Dean of Students’ Office. Green Machine members must always serve as exemplars of high moral character and must demonstrate appropriate behavior both on campus and off campus.

Saint Mary’s High School Green Machine members are expected to follow the Saint Mary’s High School Code of Conduct as stated in the current Parent/Student Handbook.

I have read and understand the expectations as a member of the GREEN MACHINE and acknowledge that I may be disciplined or removed from the Green Machine if I violate any of the Handbook provisions.
