Conference

- Press Conf
- Dial the ext/ telephone number for the second caller
- Press Conf

To end the call for all parties, simply hang up. To leave the call but allow the two parties to remain on the phone with each other, hit the Join" soft button.

Call Waiting

During an active call, you hear a call waiting tone and notice a second incoming call on your display (along with the Caller ID for that second call). You will have two options available on your screen:

- Answer – Puts first call on hold/ answers the second call.
- Ignore – Sends the second call to voice mail.

To get to the original caller, simply press the button of the line in use and you are now connected to the original caller. You can use this same button to toggle between calls. The screen will show you who is holding and who is connected.

Call Park (holds a call on all phones)

To Park a call - Press the Park button

To retrieve a Parked call – Press the blinking "Park" button
