**Board Member Reports and Comments**

**BOARD REPORTS AND COMMENTS**

**Comments of Mrs. Dabbs**

Mrs. Dabbs spoke about all the wonderful conversations and welcomed everyone to the meeting. She spoke about her passion to serve on the Board. Over the time prior to Winter Break she was able to attend many Holiday programs. It was wonderful to see the energy and the work by the students and teachers. Is visiting the school sites to meet Principals and get to know them so that they know who she is. So far, she has visited Evergreen, East Whittier, Ocean View, La Colima and Granada. It is a joy and pleasure to be there and talk with the Principals, to hear their passion for the work they are doing with children and how they are making sure to serve the teachers as well and the parent community. It is exciting to begin the journey in East Whittier City School District. Thanked everyone for attending.

**Comments of Ms. Chacon Sullivan**

Ms. Chacon Sullivan attended many Holiday activities. On December 19<sup>th</sup>, she attended the Dorothy F. Fagan services along with some of her colleagues. It was a wonderful service. Spoke about how nice the new tree at Laurel is.

**Comments of Mr. Aparicio**

Mr. Aparicio welcomed everyone back from Winter Break. It was a great way to start the Board meeting hearing all the stories about

the community members and volunteers who are going above and beyond. It is great to see. Congratulated all the recipients of the awards. Hopefully others hear their stories, get out and volunteer as well. In December attended the PTA council dinner thanked Ocean View, EWEA dinner thanked Ms. Michaud and EWEA for the invitation, Mrs. Loomis' class at Ceres to see the Gingerbread houses in TK and Kinder. It was amazing to see what they built to represent the City of Whittier. Attended the Ocean View performances, East Whittier Girls and Boys Soccer and Basketball. Mentioned the Ocean View PTA Casino night on February 1<sup>st</sup> at the Doubletree Hilton. The cost is \$40 per person.

#### Comments of Mr. Elbling

Mr. Elbling spoke about all the great Holiday events that he attended. Welcomed everyone back from Winter Break and wished them a Happy New Year.

#### Comments of Mr. Urteaga

Mr. Urteaga welcomed everyone back from the Holiday Break and wished everyone a Happy New Year. Attended the Holiday performances and saw all the great things happening at the school sites. The Ceres Gingerbread City of Whittier items were great and the kids did a great job. Had the opportunity to be Santa Claus at the Ceres pancake breakfast for students. It was a good way to give back to the students. Thanked the PTA for allowing him to do that. Attended the Dorothy Fagan funeral services. Thanked EWEA for inviting him to the EWEA dinner. Spoke about recent deaths. Thanked the deceased current and retired employees for the time they gave to the District. All respect to Mr. Roy Barringer, former Principal at Hillview and Asst. Superintendent of Business before his retirement, Mrs. Barbara Carrillo, retired La Colima teacher and current employee, Mrs. Helen Shaeffer, Instructional Assistant at Mulberry. Our condolences to their families.

#### CSEA COMMENTS

#### Comments of CSEA

Ivan Pastrano past President for CSEA spoke about the installation of new officers. Michelle Ruiz is the new chapter President for East Whittier. Ivan mentioned that Michelle would be reaching out to the Board members to invite them to the Chapter meetings so that they can come in and introduce themselves so that the members know who they are. Most members are unable to attend the Board meetings. Ivan thanked Mr. Urteaga for mentioning the people that have passed. CSEA is

excited after talking with the Superintendent about the early retirement incentive. They are excited that something is being worked on for classified. Thanked the Superintendent and Board for remembering the classified staff.

**EWEA COMMENTS**

**Comments of EWEA**

Missy Michaud, EWEA President thanked the Board for attending the EWEA dinner. They are looking forward to inviting Mrs. Dabbs next year. Mentioned that the new Technology looks fabulous. Is excited about the new job description for the Library Media Clerk and Tech person. They have been sharing these concerns with the District regarding problems with the Media. They appreciate and are looking forward to having that position. Spoke about the Technology being presented that is being piloted in two classrooms. They are excited and are looking forward to see how it goes. The item in the agenda is describing what is going on in the pilot but there is nothing in there about printers. Teachers truly believe that printers are necessary Tech pieces in each of the classrooms. It is impressive with the new Technology that all they would need is one plug in. Currently there are many plugs being used and cables around the room. Accidents waiting to happen so they are excited that the pilot is moving forward and hope it works out beautifully and printers are added on to the list for the classrooms. As for Special Ed, they have been sharing for years that they are concerned with issues going on with Special Ed. In the last 1 ½ years Dr. Staine has made it so that they have been able to work on small things. Fixing problems and working together. They had found the problem was much larger, and they have been able to sit in a room and have the conversation. They see real change coming into play and things that will truly make a difference to the kids. They are excited to see this happen. The roll out is about February 1<sup>st</sup> and Superintendent Patterson and she will be working back and forth for feedback to make sure it is a fluid process. They are looking to set up a program that does what is best for our kids and run smoothly and effectively. Thanked the Board for listening and acting on this. Mrs. Tavitian has her departments working, so with all of us truly on the same side working together they are looking forward to good things happening. She will keep the Board posted.

**Comments of the Superintendent**

**Marc Patterson**

Mr. Patterson reiterated what Missy and Ivan said, that we are on the precipice of really having some great things occur and making

**SUPERINTENDENT COMMENTS**

sure that we are all working in the same direction to address a lot of the things that are probably structural things that we can deal with if we all tackle them together. Getting everyone into the same room is pivotal. Mr. Patterson thanked the Trustees for all of their work over the past years and decades to be able to put us in a position to where we are. Many of the things they will hear during the Board meeting presentations are all foundational pieces that they put into play, and now it is visioning what we are going to do moving forward to be able to make sure we are really preparing our kids and supporting them. Is excited about the Key presentation. That is just another way that we are going to go about recognizing all the hard work. That is what we are trying to focus on. The Teachers, classified staff and administrators work tirelessly to provide that support to our kids. We want to focus on ways which we can recognize all of those things moving forward.
