5. All students are required to provide proof of Medical Insurance prior to the first day of practice in order to participate. When you register on the MyFamily website online, you can provide this information. The WHSAA/SWCSD2 Physical Form also provides an area to provide this information. The school district does **NOT** provide medical insurance. If you do not have medical/health insurance, the district can provide you with information on an inexpensive accident insurance program that can be purchased to meet this requirement. This voluntary accident insurance coverage is provided through SMIC/Gerber Life Insurance. **For information on how to enroll in this program, please see the link below:**
