Schools in the Northern Buckeye Conference include Eastwood, Elmwood, Fostoria, Genoa, Lake, Rossford, and Woodmore.

Parking Information (CLICK HERE)

All vehicles driving on school property will observe a safe speed limit not to exceed 15 mph. Students must park in one of the lots behind the high school. Students are not permitted to park against the school wall for any reason unless authorized by school personnel. Students are to enter and exit campus each day via the south driveway near the digital sign. Students are not permitted to park in areas designated for faculty, staff, or guests. Failure to comply will result in discipline and/or loss of driving privileges. Parents dropping off students should also use the south entrance and drop their children off at the front of the high school at the main entrance. [Click Here to view video instructions](#) about parking, dropping off and picking up students. Parking is at the student's own risk. Otsego High School assumes no liability for damaged vehicles. Vehicles should be locked. Students may not loiter in vehicles or parking lots.

Lockers

Everyone is assigned a hall locker and may be assigned a locker in the physical education department. In order to prevent theft, it is recommended for students to have a school-issued lock for each locker assigned. All locks used should be purchased from the school. No tape, glue, putty, or any other adhesive is allowed to be used inside or outside the lockers. Students wishing to hang items on the inside of their locker(s) may do so by using

magnets only. If you have any locker problems, report the situation to the office. All lockers assigned to pupils are the property of Otsego High School. In other words, lockers are not private property. At no time does the school relinquish the exclusive control of its lockers. Students can only store their own belongings and must keep the lockers assigned to them. They cannot move their belongings to any other locker to which they are not assigned. The storage of other student's belongings is prohibited. Lockers are to be used to store school supplies and personal items necessary for use at school. Lockers shall not be used to store items, which cause an interference with school purposes or that violate school rules. No food products are allowed in any locker overnight, to avoid rodent and insect infestation. Lockers are not burglar proof and students should not leave valuables such as money, and expensive personal property in the lockers. Students are prohibited from placing locks on any locker without the advance approval of the school principal or his/her designee. Students should make sure the lock is secure after using lockers and report all incidents to school staff where locks and or lockers have been tampered with. Any lock found on a locker that has not been issued by the office will be removed immediately. Students are solely responsible for the contents of their lockers and should not give out the lock combination to other students. The school principal or his/her designee shall have custody of all combinations to all lockers or locks. Random searches of school lockers and their contents have a positive impact on deterring violations of school rules, ensure proper maintenance of school property and provide great safety and security for pupils and personnel. Other reasons for a search of a student's locker would be a complaint or evidence of foul odors emanating from a locker or the leaking of any wet or dry substance. Accordingly, the principal or designee may search lockers and locker contents at any time, without notice, and without parent/guardianship or pupil consent. Failure to comply with these rules may result in the loss of locker privileges. (ORC. 3313.20)

FERPA RIGHTS

Parent/Guardian Notification to Share Information for Purposes of Billing Public Insurance and Consent to Bill Public Insurance

Dear Parent/Guardian,

Local Education Agencies (LEAs), such as school districts, are eligible to receive federal Medicaid reimbursement for medically necessary services provided to their special education students when the services meet the requirements of the state's Medicaid program and are provided in accordance with the students' IEPs.

The Individuals with Disabilities Education Improvement Act of 2004 (IDEA) and the Family Educational Rights and Privacy Act (FERPA) require schools to obtain written parental consent to share students ' education and health-related records such as Evaluation Reports, IEPs, and direct services and to bill these services to Medicaid. We are requesting your permission to share this information with the Medicaid Agency (the Ohio Department of Jobs and Family Services) and our Medicaid billing agent in order to submit a claim.

Please note:

1. No matter whether you grant consent or refuse to consent or revoke your consent, your child will still be provided with an evaluation and/or the services on his/her IBP, and you will not have to pay for those services.
2. Your consent is voluntary. I/you give consent, you will not incur any out-of-pocket expense, and there will not be any decrease in your child's available lifetime Medicaid coverage.
3. If you give consent, you may revoke it in writing any time after it is given. Your revocation of consent will not negate (undo) an action that has occurred after consent was given and before the consent was revoked.
4. The withdrawal of consent or refusal to provide consent to the district does not relieve the district of its responsibility to ensure that all evaluations and/or services on your child's IBP are provided at no cost to you.

Upon request, you or your child may receive copies of your child's records that are disclosed as a result of this authorization. This publication serves as the required annual notification under 34 CFR §300.503(c). If you have any questions or concerns, please contact the district's Medicaid Coordinator, Susan Bollin from Weswurd, LLC, at (419) 346-9651.

ADDING/DROPPING CLASSES

All course requests are considered final after the last teacher workday. Schedule changes after this time are generally not permitted, however, to be considered, a request for schedule change form must be filled out and special approval acquired from the principal. Please see the High School Program of Studies for a list of acceptable reasons to add/drop a course. If a student chooses to drop a class without gaining special approval

from the principal, the student will receive a withdrawal/Fail (W /F) in that class and will be reflected on the student's official transcript. Students accepted to PENTA have until the day prior to PENT A's first day of classes to decide on enrollment. If they have not indicated a desire to remain at Otsego, they must attend classes at PENTA Career Center for the first ten (10) days before returning to Otsego High School.

AFTER SCHOOL ACTIVITIES

No student is allowed to participate in an after-school club or activity, including band practice or cheerleading practice or tryouts, or athletic practice, unless the student is in attendance at school by 10:45 am and remains at school the rest of the day. Students who leave school are not permitted to participate in an afterschool activity unless their absence is excused by a doctor's note or given approval by an administrator. If a student misses school on a Friday they are ineligible for that weekend. Exception: An official school function, the student has official documentation for the absence or late arrival or special arrangements have been made with the administration. At the end of each school day, students are to leave the school grounds by 2:35 PM unless they are involved in a school-related activity or under the direct supervision of school personnel. Loitering is not permitted and consequences will be given if warranted.

ATHLETICS (Click here to view the Athletic Code of Conduct)

Otsego High School students are eligible to compete in any of ten interscholastic sports. These include cross-country, football, golf, soccer, and volleyball in the fall; basketball and wrestling in the winter; and track, baseball, and softball in the spring. Cheerleading is also offered in the fall and the winter. Otsego is a member of the Northern Buckeye Conference and meets all guidelines established by the Ohio High School Athletic Association (OHSAA) of which the school is a member. Student-athletes are expected to abide by the Student Code of Conduct as well as the rules outlined in the Athletic Code of Conduct, which each student will be required to sign via final forms prior to their participation in extracurricular activities at Otsego.

Athletic Eligibility Requirements

To be eligible during any grading period, an athlete must have been in school the immediately preceding grading period and passing grades must have been received in a minimum of five one-credit courses, or the equivalent unless the student has just been promoted to the ninth grade. Incoming ninth graders need to have passed five (5) courses in the previous grading period in order to be eligible to play high school athletics. Athletes must also achieve at least a 1.5 G.P.A. for the grading period preceding the season in which the student is involved. Eligibility or ineligibility would remain until the beginning of the 5th school day after the next grading report period. Online school, summer school, special examinations, etc., may not be used to regain eligibility. A letter grade of "I" (Incomplete) is considered to be an "F" when determining eligibility. The "F" grade for an incomplete may be changed within 5 school days of the quarter ending for eligibility purposes. School days include regular instruction days, calamity days, teacher in-service or work days. Holidays and school breaks are not considered school days. Only the administration and/or Athletic Director can approve any changes in eligibility. To participate in a contest or practice on a regularly scheduled school day, an athlete must be in attendance at school all day from no later than 10 minutes after school begins until the end of school day unless prior arrangements are made with the principal or athletic director. Doctor appointments are allowed as long as a doctor's note is turned in when the athlete returns. In the case of a late weeknight contest or practice,

an athlete is expected to be in attendance at the beginning of the following school day. This also includes cheerleaders.

ATTENDANCE & TARDIES

Punctual and regular attendance at school is extremely important. If it is necessary for a student to be absent from school, a parent /guardian must call the school office before 9:00 a.m. to inform the school of the student's absence and the reason for it. Absence falls under two categories: excused and unexcused. All student attendance issues must be handled by the student's parent /guardian even if the student is 18 years old or older. Students are not permitted to write their own absences or to sign themselves in or out of school. The only exception to this is if the student has a legal emancipation agreement on file.

🏠 Excused Reasons for an absence or tardy include:

- 🏠 Personal illness
- 🏠 Medical appointment
- 🏠 Illness in the immediate family
- 🏠 Death in the family/Death of a relative
- 🏠 Religious observations/Observance of religious Holidays.
- 🏠 Quarantine of the home.
- 🏠 Court subpoena
- 🏠 College visitation
- 🏠 An emergency or set of circumstances which, in the judgment of the school, constitutes a good and sufficient cause of absence from school

🏠 Unexcused Reasons for an absence or tardy include:

- 🏠 Oversleeping
- 🏠 Car trouble
- 🏠 Haircut, beauty shop appointments
- 🏠 Truancy (see next page)
- 🏠 Running errands in non-emergency situations
- 🏠 Missing the bus/ride
- 🏠 Babysitting
- 🏠 Shopping
- 🏠 Out-of-school suspension
- 🏠 Hunting
- 🏠 Pre-planned absence
- 🏠 Employment
- 🏠 Other not listed as excused

The student, upon returning to school, shall present a written note from the parent/guardian explaining the reason and date of the absence or the parent/guardian should provide official documentation for the absence. If the written note or official documentation is not received within two school days of the absence, the absence will be recorded as unexcused. A note is not necessary if the parent/guardian comes into the school office and signs the student in or out.

Otsego High School is required by law, under HB 410, to take action and make interventions that help and encourage regular and consistent attendance. We use the following guidelines to determine our course of action which includes but is not limited to, written notification, mediation, and criminal charges.

	Consecutive Hours	Hours per School month	Hours per school year
Habitual Truancy	30 without legitimate excuse	42 without legitimate excuse	72 without legitimate excuse
Excessive Absences	--	38 with or without legitimate excuse	65 with or without legitimate excuse
Chronic Absenteeism	--	--	10% with or without legitimate excuse

As a general rule, a student that has been absent 30 hours but less than 60 hours (excused or unexcused) will be sent a letter notifying them that all future absences will require official documentation before the absences can be excused. The student may also be referred to the Wood County prosecutor's juvenile mediation program. A student that has been absent 60 or more hours (excused or unexcused) will receive written notification that all future absences will require official documentation before the absences can be excused. A student that reaches this point along with their parent/guardian will also be required by the school to attend an Absence Intervention Meeting with school personnel to identify specific causes of the student's absences and ways in which we can improve the student's attendance at school.

Students with 60 hours of consecutive unexcused absences in a semester may also have their temporary instruction permit or driver's license suspended. Under current law, a student's temporary instruction permit or driver's license will be suspended for withdrawing from school for excessive absences (Ohio Revised Code Section 3365.041(A)).

Students with 60 hours of unexcused absences in a semester may have their temporary instruction permit or driver's license suspended. Under current law, a student's temporary instruction permit or driver's license will be suspended for withdrawing from school for excessive absences (Ohio Revised Code Section 3365.041(A)).

COLLEGE VISITS

In order to be excused from school to visit a college or university, juniors and seniors (only) must obtain an application form from the guidance counselor and submit it one week before the visit and upon returning from the visit must provide documentation of the visit. Students are allowed to visit two schools unless prior arrangements are made with the principal. Visits are NOT allowed during the first and last month of the school year.

TARDIES TO SCHOOL

If you are late to school, you will need official documentation from a parent/guardian or doctor/court. Excused/Unexcused reasons are stated above:

Consequences for being tardy to school

-  1st tardy - warning
-  2nd tardy - 2nd warning, parents contacted
-  3rd tardy - 3-hour detention, parents contacted
-  4th tardy - 3-hour detention, meeting with parents required
-  5th tardy - Loss of privileges/possible suspension
-  6th tardy - Progressive discipline applied

By definition, official documentation includes written notice from a doctor, dentist, hospital, or court. This written notice must state that the student was unable to attend school and must include the beginning and/or ending dates and/or times on official letterhead paper. In most cases, if official documentation is provided, we excuse those absences when looking at the student's attendance record.

AUTOMOBILES

A parking area is provided for students who drive to school. Student parking is restricted to this area. Students are not permitted to park in areas designated for faculty, staff, or guests. Busses always have the right-of-way. All students who drive to school must register their car(s) in the office the first week of school and pay a parking fee. A parking tag must be displayed. For the protection of automobiles, students are not allowed in the parking lot during school hours (7:39 am - 2:20 pm). Students who are in the parking lot during the school day are subject to detentions or suspensions. Driving to school and the use of the parking lot is a privilege that can be revoked at any time by a principal for reasons deemed necessary (e.g. driving students off campus who do not have permission to be off school property, serious driving violations, possession or transportation of drugs, alcohol, stolen property, or other contraband, parking in an unauthorized area) . All vehicles driving on school property will observe a safe speed limit not to exceed 15 mph. Students must park in one of the lots behind the high school. Students are not permitted to park against the school wall for any reason unless authorized by school personnel. These spots are reserved for faculty only. Vehicles must yield to pedestrians and students at all times. Parking is at the student's own risk. Otsego High School assumes no liability for damaged vehicles. Vehicles should be locked. Students may not loiter in vehicles or parking lots. Reckless or unauthorized operation of a motor vehicle on school property or in the vicinity of school vehicles may result in detention, suspension, or loss of driving privileges. The school has a right to search any automobile in the school parking lot if administrators have a reason for suspicion. Parking off school grounds is not permitted. Disciplinary action may result for students who violate this rule.

CLASS DUES

Each class member will pay a \$10.00 class fee to defray the cost of special events (e.g. prom, graduation, etc.). High School fees are invoiced out each year in October. This includes all PENTA, CBI, ALC, Pathe Center, or OVLA students.

Any expulsion under this division extends, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place. When transportation privileges are lost, you are not allowed to ride any bus or van owned by the Otsego Board of Education during the suspension. All discipline issues on the bus will be handled through the student code of conduct. Disciplinary action could be: a warning, detentions, suspensions, or charges being filed with the court, as well as a suspension in transportation privileges. The Administrator's decision is final.

Students are permitted to have their cell phones during the course of the school day. They may be used before and after school, in the hallways between classes, and in the Commons during lunch. Use of ECD's in the library and study hall is at the teacher's discretion. Upon entering a classroom, students are to place their devices in the designated areas outlined by the teachers. The Board of Education reserves the right to define the educational value of any new electronic wireless communication devices that may become available to the general public in the future to prohibit their use if they have little or no educational value or if such device creates learner distraction or disruption.

The district is not responsible for the loss, theft, damage, or vandalism to student cellular telephones or ECDs as well as other student property. Students and parents are strongly encouraged to take appropriate precautions to make sure the cellular telephones and ECDs are not left unattended or unsecured.

Coaches and sponsors will set their rules and enforce consequences involving the use and/or misuse of these devices.

Students are expected to silence all electronic devices during class time and place them in their designated areas during class unless approved for educational purposes. Students caught with an electronic device in class without permission, or caught using it in an inappropriate manner may have it confiscated and sent to the office. There are three possible uses of the Flex Credit program:

2. Flex Out
 - a. Students may use the program to "test out" of a class or classes in the Otsego curriculum if the student feels prepared to move on to a higher level. Flex Out plans will require the student to demonstrate at least a proficient level of achievement on all course standards, outcomes, and objectives, as demonstrated by the student's results on all course assessments and projects.
3. Flex Advance
 - a. Students may work with high school staff and other educators to plan advanced coursework that is not available in the regular Otsego High School curriculum. Flex Advance plans will require student work of a challenging nature, including reading, study, projects, demonstrations, and assessments.

DRUG TESTING

At the beginning of each athletic season, all student-athletes will submit to drug testing. Failure to do so will result in the student-athlete not being permitted to play that season in any sport. Student-athletes that do not pass the mandatory drug test are subject to those consequences outlined in the Otsego Athletic Code of Conduct. At any time during the school year, students involved in any extra-curricular activity (e.g. athletics, clubs, and school-sponsored organizations) are subject to random drug testing - failure to do so will result in the student not being permitted to participate in any extra-curricular activity. Students that do not pass a random drug test are subject to the consequences outlined in the Code of Conduct for each individual activity. At any time during the school year, students that drive to school are subject to random drug testing - failure to do so will result in the student losing the privilege of driving to school for the rest of the school year. Students that do not pass a random drug test will not be allowed to drive to school for the rest of the school year.

EARLY RELEASE

A note signed by the parent must be brought to the office or a telephone call received before an early release is allowed. A phone number must be on the note to enable the office to contact the person who wrote the early release. The list of reasons for excused and unexcused absences apply to early releases. In addition, complicity in any of the above acts, whether or not that complicity takes place on school grounds or at a school function, may also be the basis for permanent exclusion.

EXPULSIONS

Only the superintendent may expel a student from school. Expulsions may be carried over into the next school year. No student, while under expulsion, shall be on school property or participate in any school activities. Students who are expelled from school will not receive credit for work missed during the expulsion. Students who have received multiple suspensions may be referred to the superintendent for expulsion. A student or his/her parent/guardian may appeal his/her expulsion to the Board of Education or its designee. 2. by limits established in the constitution and/or rules of participation provided each student by the advisor, teacher, or coach.
3. by failing or refusing any random or mandatory drug test that the school requires.

Note: The Otsego Board of Education approved random drug testing for students participating in any extra-curricular activity. In addition, student athletes will have mandatory drug testing at the beginning of each season.

FEES

Nonpayment of fees for course materials or damaged or stolen materials will result in grade cards being withheld. Nonpayment of pay to participate fees will also result in students being ineligible for any extracurricular activities. All unpaid fees will result in denial of participation in graduation exercises.

FIELD TRIPS

Many students will participate in field trips throughout the year. School rules are in effect on all field trips. It is the student's responsibility to make up all missed work. It is the student's responsibility to meet with his/her teachers prior to a field trip to discuss how missing work will be made up. GUIDANCE AND COUNSELING

The guidance program of the Otsego Local Schools is an integral part of the total educational process. A primary objective of the guidance department is to function as a resource to students, parents, faculty and staff, and the community. These resources include providing the necessary information needed to make educational and career decisions, providing counseling services for personal or academically related concerns, and general support for anyone in the school community who is in need. Guidance services may be requested by anyone. Students may self-refer or staff members or parents can refer them. Anyone is welcome to contact a guidance staff member.

HALLWAY SIGNS AND SHOWCASES

Any sign put up in the building or in a display case must have prior approval by the Principal. Violation may result in detentions or suspension. Teachers are responsible for signage in their own classrooms. Coaches are responsible for coaches' offices and team locker rooms. Nothing is to cover the windows.. Spirit items may be hung on the inside and outside of student lockers if magnets are used. No tape, glue, putty, or any other adhesive is allowed to be used inside or outside the lockers. Students wishing to hang items on the inside of their locker(s) may do so by using magnets only.. Nothing may be hung from the ceilings.

HONOR ROLL

Students will qualify for the Honor Roll by earning one of two-grade point average designations: (3.5-3.99 and 4.0) and receive no D's, F's, or incompletes for the grading period. Those students with a 3.5 G.P.A. or higher will have their names submitted to the Sentinel-Tribune for publication.

INCOMPLETES

A grade of incomplete will result in a loss of course credit if the work is not completed within a designated time frame established by the administrator of the high school. However, please refer back to the Athletic Eligibility section in this handbook to fully understand Incompletes and Athletic Eligibility.

LUNCH

Each student is assigned a lunch period. During that lunch period, the student is to be in the cafeteria (even if not eating lunch), not in other parts of the building or outside the building unless given permission by school personnel. All students are required to clean up the tables and floor area where they eat. Eating and drinking are permitted in study hall at the discretion of the teacher when it is held in the cafeteria. Inside the building, students may not eat or drink anywhere but in the cafeteria, unless the classroom teacher, coach, or administrator grants special permission.

MAKE UP WORK

Students are expected to complete all work missed during their absence. It is the student's responsibility to get assignments from teachers. ***Due to every student having eight (8) class periods and often eight (8) different teachers, the office will not be responsible for gathering homework for students who are absent. Parents/guardians should email teachers to have assignments sent to the office to be picked up at end of the day. After an excused absence, an amount of time equal to the length of absence is allowed for making up the work missed. For instance, if a student misses one week of school, the first week after the student returns to school is the period during which missed work can be made up. If a student has an unexcused absence, the student will not receive credit for the make-up work.

POSITIVE BEHAVIOR INTERVENTIONS & SUPPORTS

Throughout this school year, we will be implementing PBIS district-wide. In addition to our current handbook, our PBIS matrix will be utilized to assist with behavioral rewards as well as disciplinary measures.

Students must notify teachers and administrators one week prior to a pre-planned absence and are required to fill out appropriate forms with their teachers' signatures. Students who are absent due to a pre-planned absence

will be recorded as excused on the absence list. These students do have make-up privileges. Students are required to obtain their assignments prior to leaving for their pre-planned absence. Upon return to school, they should have the number of day's equivalent to the number of days absent to turn in any make-up assignments. Failure to do made-up work may result in a lower grade for the quarter.

MEDICATION

All medication (prescription or non-prescription) being taken by a student must be kept in the office, and a request for administration of medication by school personnel form must be on file in the office. The student is responsible for bringing in any and all medication that he/she may need.

NATIONAL HONOR SOCIETY

All students eligible for membership will be invited to attend a meeting to learn how to apply for the NHS. This meeting is mandatory for those wishing to apply. If the student completes the membership application properly and turns it in on time, the advisory committee will then review all the data. The advisory committee will make the final decision for membership. Grades for eligibility will be checked at the end of each semester. Any member who falls below the standards, which were the basis of his/her election, shall be promptly dismissed. Any member who does not uphold the virtues of Scholarship, Leadership, Character, and Service may be brought before the faculty advisory committee to be considered for dismissal.
