

**Board Policy**  
**Philosophy, Goals, Objectives and Comprehensive Plans**  
**Nondiscrimination in District Programs and Activities**

**BP 0410(a)**

The Governing Board is committed to providing equal opportunity for all individuals in district programs and activities. District programs, activities, and practices shall be free from unlawful discrimination, including discrimination against an individual or group based on race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information; a perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics.

All individuals shall be treated equitably in the receipt of district and school services. Personally identifiable information collected in the implementation of any district program, including, but not limited to, student and family information for the free and reduced-price lunch program, transportation, or any other educational program, shall be used only for the purposes of the program, except when the Superintendent or designee authorizes its use for another purpose in accordance with law. Resources and data collected by the district shall not be used, directly or by others, to compile a list, registry, or database of individuals based on race, gender, sexual orientation, religion, ethnicity, national origin, or immigration status or any other category identified above.

District programs and activities shall be free of any racially derogatory or discriminatory school or athletic team names, mascots, or nicknames.

The Superintendent or designee shall annually review district programs and activities to ensure the removal of any derogatory or discriminatory name, image, practice, or other barrier that may unlawfully prevent an individual or group in any of the protected categories stated above from accessing district programs and activities. He/she shall take prompt, reasonable actions to remove any identified barrier. The Superintendent or designee shall report his/her findings and recommendations to the Board after each review.

All allegations of unlawful discrimination in district programs and activities shall be investigated and resolved in accordance with the procedures specified in AR 1312.3 - Uniform Complaint Procedures.

Pursuant to 34 CFR 104.8 and 34 CFR 106.9, the Superintendent or designee shall notify students, parents/guardians, employees, employee organizations, applicants for admission and employment, and sources of referral for applicants about the district's policy on nondiscrimination and related complaint procedures. Such notification shall be included in the annual parental notification distributed pursuant to Education Code 48980 and, as applicable, in announcements, bulletins, catalogs, handbooks, application forms, or other materials distributed by the district. The notification shall also be posted on the district's web site and social media and in district schools and offices, including staff lounges, student government meeting rooms, and other prominent locations as appropriate.

In addition, the annual parental notification shall inform parents/guardians of their children's right to a free public education regardless of immigration status or religious beliefs, including information on educational rights issued by the California Attorney General. Alternatively, such information may be provided through any other cost-effective means determined by the Superintendent or designee. (Education Code 234.7)

The district's nondiscrimination policy and related informational materials shall be published in a format that parents/guardians can understand. In addition, when 15 percent or more of a school's students speak a single primary language other than English, those materials shall be translated into that other language.

Access for Individuals with Disabilities

District programs and facilities, viewed in their entirety, shall be in compliance with the Americans with Disabilities Act (ADA) and any implementing standards and/or regulations. When structural changes to existing district facilities are needed to provide individuals with disabilities access to programs, services, activities, or facilities, the Superintendent or designee shall develop a transition plan that sets forth the steps for completing the changes.

The Superintendent or designee shall ensure that the district provides appropriate auxiliary aids and services when necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program, or activity. These aids and services may include, but are not limited to, qualified interpreters or readers, assistive listening devices, assistive technologies or other modifications to increase accessibility to district and school web sites, notetakers, written materials, taped text, and Braille or large-print materials. Individuals with disabilities shall notify the Superintendent or principal if they have a disability that requires special assistance or services. Reasonable notification should be given prior to a school-sponsored function, program, or meeting.

The individual identified in AR 1312.3 - Uniform Complaint Procedures as the employee responsible for coordinating the district's response to complaints and for complying with state federal civil rights laws is hereby designated as the district's ADA coordinator. He/she shall receive and address requests for accommodation submitted by individuals with disabilities, and shall investigate and resolve complaints regarding their access to district programs, services, activities, or facilities.

In no instance shall a compliance officer be assigned to a complaint in which he/she has a bias or conflict of interest that would prohibit him/her from fairly investigating or resolving the complaint. Any complaint against a compliance officer or that raises a concern about the compliance officer's ability to investigate the complaint fairly and without bias shall be filed with the Superintendent or designee who shall determine how the complaint will be investigated.

The Superintendent or designee shall ensure that employees assigned to investigate and resolve complaints receive training and are knowledgeable about the laws and programs at issue in the complaints to which they are assigned. Training provided to such employees shall cover current state and federal laws and regulations governing the program, applicable processes for investigating and resolving complaints, including those alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), applicable standards for reaching decisions on complaints, and appropriate corrective measures. Assigned employees may have access to legal counsel as determined by the Superintendent or designee.

The compliance officer or, if necessary, any appropriate administrator shall determine whether interim measures are necessary during and pending the result of an investigation. If interim measures are determined to be necessary, the compliance officer or the administrator shall consult with the Superintendent, the Superintendent's designee, or, if appropriate, the site principal to implement one or more interim measures.   - d. Complaints should be filed in writing and signed by the complainant. If a complainant is unable to put his/her complaint in writing, for example, due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint.
  - e. If a complaint is not filed in writing but the district receives notice of any allegation that is subject to the UCP, the district shall take affirmative steps to investigate and address the allegations, in a manner appropriate to the particular circumstances.

If the allegation involves retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) and the investigation confirms that discrimination has occurred, the district will take steps to prevent recurrence of discrimination and correct its discriminatory effects on the complainant, and on others, if appropriate.

- j. The complainant has a right to appeal the district's decision to CDE by filing a written appeal within 15 calendar days of receiving the district's decision.

In any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the respondent also shall have the right to file an appeal with CDE in the same manner as the complainant, if he/she is dissatisfied with the district's decision.
- k. The appeal to CDE must include a copy of the complaint filed with the district and a copy of the district's decision.
- l. Copies of the district's UCP are available free of charge.

The annual notification, complete contact information of the compliance officer(s), and information related to Title IX as required pursuant to Education Code 221.61 shall be posted on the district web site and may be provided through district-supported social media, if available.

The Superintendent or designee shall ensure that all students and parents/guardians, including students and parents/guardians with limited English proficiency, have access to the relevant information provided in the district's policy, regulation, forms, and notices concerning the UCP.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning the UCP shall be translated into that language, in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

### District Responsibilities

All UCP-related complaints shall be investigated and resolved within 60 calendar days of the district's receipt of the complaint unless the complainant agrees in writing to an extension of the timeline. (5 CCR 4631)

For complaints alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall inform the respondent when the complainant agrees to an extension of the timeline for investigating and resolving the complaint.

## Uniform Complaint Procedures (continued)

AR 1312.3(d)

The compliance officer shall maintain a record of each complaint and subsequent related actions, including steps taken during the investigation and all information required for compliance with 5 CCR 4631 and 4633.

All parties involved in the allegations shall be notified when a complaint is filed and when a decision or ruling is made. However, the compliance officer shall keep all complaints or allegations of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) confidential except when disclosure is necessary to carry out the investigation, take subsequent corrective action, conduct ongoing monitoring, or maintain the integrity of the process. (5 CCR 4630, 4964)

All complainants shall be protected from retaliation.

### Filing of Complaints

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing the programs specified in the accompanying Board policy (item #1 of the section "Complaints Subject to the UCP") may be filed by any individual, public agency, or organization. (5 CCR 4630)
2. Any complaint alleging noncompliance with law regarding the prohibition against requiring students to pay student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred. (Education Code 49013, 52075; 5 CCR 4630)
3. A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) may be filed only by a person who alleges that he/she personally suffered the unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to it. The complaint shall be initiated no later than six months from the date when the alleged unlawful discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)
4. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.
5. When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) or the alleged victim, when he/she is not the complainant, requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

## **Uniform Complaint Procedures (continued)**

**AR 1312.3(e)**

### Investigation of Complaint

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or his/her representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or his/her representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. He/she shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

The compliance officer shall apply a "preponderance of the evidence" standard in determining the veracity of the factual allegations in a complaint. This standard is met if the allegation is more likely to be true than not.

### Report of Findings

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant, and respondent if there is one, a written report, as described in the section "Final Written Decision" below, within 60 calendar days of the district's receipt of the complaint. (5 CCR 4631)

### Final Written Decision

The district's decision on how it will resolve the complaint shall be in writing and shall be sent to the complainant and respondent. (5 CCR 4631)

## Uniform Complaint Procedures (continued)

AR 1312.3(f)

In consultation with district legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the district's decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved attends a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated into that language. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For all complaints, the decision shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered. In reaching a factual determination, the following factors may be taken into account:
  - a. Statements made by any witnesses
  - b. The relative credibility of the individuals involved
  - c. How the complaining individual reacted to the incident
  - d. Any documentary or other evidence relating to the alleged conduct
  - e. Past instances of similar conduct by any alleged offenders
  - f. Past false allegations made by the complainant
2. The conclusion(s) of law
3. Disposition of the complaint
4. Rationale for such disposition

For complaints of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the disposition of the complaint shall include a determination for each allegation as to whether retaliation or unlawful discrimination has occurred.

The determination of whether a hostile environment exists may involve consideration of the following:

- a. The manner in which the misconduct affected one or more students' education
  - b. The type, frequency, and duration of the misconduct

3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at [www.ed.gov/ocr](http://www.ed.gov/ocr) within 180 days of the alleged discrimination.

### Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling
2. Academic support
3. Health services
4. Assignment of an escort to allow the victim to move safely about campus

8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation
9. Determination of whether any past actions of the victim that resulted in discipline were related to the treatment the victim received and described in the complaint

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate corrective actions that focus on a student offender may include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team

## Uniform Complaint Procedures (continued)

AR 1312.3(h)

6. Denial of participation in extracurricular or co-curricular activities or other privileges as permitted by law
7. Disciplinary action, such as suspension or expulsion, as permitted by law

When an employee is found to have committed retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that the district does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

If a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes for students in elementary schools, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51223, 52075)

For complaints alleging noncompliance with the laws regarding student fees, the district shall attempt in good faith, by engaging in reasonable efforts, to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

### Appeals to the California Department of Education

A student's parent/guardian, or a student who is an adult or emancipated minor, shall provide prior written consent before the student is required to participate in a survey inquiring about one or more of the following: (Education Code 51513; 20 USC 1232h)

1. Political affiliations or beliefs of the student or his/her parent/guardian
2. Mental or psychological problems of the student or his/her family

If a student participates in such a survey requesting information about personal beliefs and practices, school officials and staff members shall not request or disclose the student's identity.

Notwithstanding the above requirements for prior written consent, the district may administer to students in grades 7-12 anonymous, voluntary, and confidential research and evaluation tools to measure student health risks and behaviors, including tests and surveys about student attitudes or practices related to sex as long as parents/guardians are provided written notice and given an opportunity to request, in writing, that their child not participate. (Education Code 51938)

If the district administers a voluntary survey that already includes questions pertaining to sexual orientation and/or gender identity, the Superintendent or designee shall not remove such questions. (Education Code 51514)

Parent/Guardian Access to Surveys and Instructional Materials

The parent/guardian of any district student, upon his/her request, shall have the right to inspect: (Education Code 51938; 20 USC 1232h)

Within a reasonable period of time after receiving a parent/guardian's request, the principal or designee shall permit the parent/guardian to view the survey or other document he/she requested. A parent/guardian may view the document any time during normal business hours.

No student shall be subject to penalty for his/her parent/guardian's exercise of any of the rights stated above.

Health Examinations

Authorized school officials may administer to any student any physical examination or screening permitted under California law. However, no student shall be subjected to a nonemergency, invasive physical examination without prior written notice to his/her parent/guardian, unless an applicable state law authorizes the student to provide consent without parent/guardian notification. (20 USC 1232h)

**Student and Family Privacy Rights (continued)**

**AR 5022(b)**

Invasive physical examination means any medical examination that involves the exposure of private body parts or any act during such examination that includes incision, insertion, or injection into the body, but does not include a properly authorized hearing, vision, or scoliosis screening.   - b. Physical examinations or screenings

Prior to administering any anonymous and voluntary survey regarding health risks and behaviors to students in grades 7-12, the district shall provide parents/guardians with written notice that the survey is to be administered. (Education Code 51938)

Parents/guardians shall also be notified of any substantive change to this policy and administrative regulation within a reasonable period of time after adoption of the change. (20 USC 1232h)

Adopted by Board of Trustees  
Date: (08/11/11) June 11, 2018

The Governing Board encourages the enrollment and appropriate placement of all school-aged children in school. The Superintendent or designee shall inform parents/guardians of children seeking admission to a district school at any grade level about admission requirements and shall assist them with enrollment procedures.

All appropriate staff shall receive training on district admission policies and procedures, including information regarding the types of documentation that can and cannot be requested.

The district's enrollment application shall include information about the health care options and enrollment assistance available to families within the district. The district shall not discriminate against any child for not having health care coverage and shall not use any information relating to a child's health care coverage or his/her interest in learning about health care coverage in any manner that would harm the child or his/her family. (Education Code 49452.9)

Verification of Admission Eligibility

Before enrolling any child in a district school, the Superintendent or designee shall verify the child's age, residency, immunization, and other applicable eligibility criteria specified in law, the accompanying administrative regulation, or other applicable Board policy or administrative regulation.

The district shall not inquire into or request documentation of a student's social security number or the last four digits of the social security number or the citizenship or immigration status of the student or his/her family members. (Education Code 234.7, 49076.7)

However, such information may be collected when required by state or federal law or to comply with requirements for special state or federal programs. In any such situation, **the information shall be collected separately from the school enrollment process and the Superintendent or designee shall explain the limited purpose for which the information is collected.** Enrollment in a district school shall not be denied on the basis of any such information of the student or his/her parents/guardians obtained by the district, or the student's or parent/guardian's refusal to provide such information to the district.

School registration information shall list all possible means of documenting a child's age for grades K-1 as authorized by Education Code 48002 or otherwise prescribed by the Board. **Any alternative document allowed by the district shall be one that all persons can obtain regardless of immigration status, citizenship status, or national origin and shall not reveal information related to citizenship or immigrant status.**

The Superintendent or designee shall immediately enroll a homeless student, foster youth, student who has had contact with the juvenile justice system, or a child of a military family regardless of outstanding fees or fines owed to the student's last school, lack of clothing normally required by the school, such as school uniforms, or his/her inability to produce previous academic, medical, or other records normally required for enrollment. Age of Admittance to Kindergarten and First Grade

At the beginning of each school year, the Superintendent or designee shall enroll any eligible child who will have his/her fifth or sixth birthday on or before September 1 of that year into kindergarten or first grade, as applicable. (Education Code 48000, 48010)

Any child who will have his/her fifth birthday from September 2 through December 2 of the school year shall be offered a transitional kindergarten (TK) program in accordance with law and Board policy. (Education Code 48000)

On a case-by-case basis, a child who will turn five years old in a given school year may be enrolled in kindergarten or TK at any time during that school year with the approval of the child's parent/guardian, provided that: (Education Code 48000)

1. The Governing Board determines that admittance is in the best interest of the child.
2. The parent/guardian is given information regarding the advantages and disadvantages and any other explanatory information about the effect of this early admittance.

The Superintendent or designee shall make a recommendation to the Board regarding whether a child should be granted early entry to kindergarten. In doing so, the Superintendent or designee shall consider various factors including the availability of classroom space and any negotiated maximum class size.

**Board Policy  
Students  
District Residency**

**BP 5111.1(a)**

The Governing Board desires to admit all students who reside within district boundaries or who fulfill the district residency requirements through other means as allowed by law. The Superintendent or designee shall develop procedures to facilitate the receipt and verification of students' proof of residency.

The Superintendent or designee shall annually notify parents/guardians of all existing attendance options available in the district, including, but not limited to, all options for meeting residency requirements for school attendance. (Education Code 48980)

The Superintendent or designee shall require parents/guardians to provide documentation of the student's residency upon admission to a district school. A copy of the document or written statement offered as verification of residency shall be maintained in the student's mandatory permanent record. (5 CCR 432)

When establishing students' residency for enrollment purposes, the Superintendent or designee shall not inquire into the citizenship or immigration status of students or their family members.

(cf. 5145.13 - Response to Immigration Enforcement)

A student's enrollment may be denied when the submitted documentation is insufficient to establish district residency. In any such case, the Superintendent or designee shall notify the parent/guardian in writing, including specific reasons for the denial.

Investigation of Residency

When the Superintendent or designee reasonably believes that a student's parent/guardian has provided false or unreliable evidence of residency, he/she may make reasonable efforts to determine that the student meets district residency requirements. An investigation may be initiated when the Superintendent or designee is able to identify specific, articulable facts supporting the belief that the parent/guardian has provided false or unreliable evidence of residency. (Education Code 48204.1, 48204.2)

The Superintendent or designee may assign a trained district employee to conduct the investigation. The investigation may include the examination of records, including public records, and/or interviews of persons who may have knowledge of the student's residency.

If necessary, the Superintendent or designee may employ the services of a private investigator to conduct the investigation. Before hiring a private investigator, the Superintendent or designee shall make other reasonable efforts to determine whether the student resides in the district. (Education Code 48204.2)

The investigation shall not include the surreptitious collection of photographic or videographic images of persons or places subject to the investigation. However, the use of technology is not prohibited if done in open and public view. (Education Code 48204.2)

Any employee or contractor engaged in the investigation shall truthfully identify himself/herself as an investigator to individuals contacted or interviewed during the course of the investigation. (Education Code 48204.2)

Appeal of Enrollment Denial

If the Superintendent or designee, upon investigation, determines that a student does not meet district residency requirements and denies the student's enrollment in the district, he/she shall provide the student's parent/guardian an opportunity to appeal that determination. (Education Code 48204.2)

**District Residency (continued)****BP 5111.1(b)**

The Superintendent or designee shall send the student's parent/guardian written notice specifying the basis for the district's determination. This notice shall also inform the parent/guardian that he/she may, within 10 school days, appeal the decision and provide new evidence of residency.

The burden shall be on the parent/guardian to show why the district's determination to deny enrollment should be overruled. (Education Code 48204.2)

A student who is currently enrolled in the district shall be allowed to remain in attendance at his/her school pending the results of the appeal. A student who is not currently enrolled in the district shall not be permitted to attend any district school unless his/her appeal is successful.

In an appeal to the Superintendent of a determination that district residency requirements were not met, the Superintendent shall review any evidence provided by the parent/guardian or obtained during the district's investigation and shall make a decision within 10 school days of receipt of the parent/guardian's request for the appeal. The Superintendent's decision shall be final.

**Enrollment Not Requiring District Residency**

When approved by the Board and the appropriate agency, the district may enroll students from other countries who are in the United States on an F-1 visa or are participating in an international exchange program under the sponsorship of a government-approved agency.

The district may enroll a nonresident student living in an adjoining state or foreign country in accordance with Education Code 48050-48052.

District residency is not required for enrollment in a regional occupational center or program if there are openings in the program or class. (Education Code 52317)

**Administrative Regulation  
Students  
District Residency**

**AR 5111.1(a)**

Criteria for Residency

A student shall be deemed to have complied with district residency requirements for enrollment in a district school if he/she meets any of the following criteria:

1. The student's parent/guardian resides within district boundaries. (Education Code 48200)
2. The student is placed within district boundaries in a regularly established licensed children's institution, a licensed foster home, or a family home pursuant to a court-ordered commitment or placement. (Education Code 48204)
3. The student is admitted through an interdistrict attendance option. (Education Code 46600, 48204, 48301, 48356)
4. The student is an emancipated minor residing within district boundaries. (Education Code 48204)
5. The student lives with a caregiving adult within district boundaries and the caregiving adult submits an affidavit to that effect. (Education Code 48204)
6. The student resides in a state hospital located within district boundaries. (Education Code 48204)
7. The student is confined to a hospital or other residential health facility within district boundaries for treatment of a temporary disability. (Education Code 48204, 48207)
8. The student's parent/guardian resides outside district boundaries but is employed within district boundaries and lives with the student at the place of employment for a minimum of three days during the school week. (Education Code 48204)
9. The student's parent/guardian, while on active military duty pursuant to an official military order, is transferred or is pending transfer to a military installation within the state. (Education Code 48204.3)
10. The student's parent/guardian was a resident of California who departed the state against his/her will due to a transfer by a government agency that had custody of the parent/guardian, a lawful order from a court or government agency authorizing his/her removal, or removal or departure pursuant to the federal Immigration and Nationality Act, and the student lived in California immediately before moving out of state as a result of his/her parent/guardian's departure. (Education Code 48204.4)

Residency Based on Parent/Guardian Employment (Allen Bill Transfers)

District residency status may be granted to a student if at least one of his/her parents/guardians is physically employed within district boundaries for a minimum of 10 hours during the school week. No student seeking residency on this basis shall be denied enrollment based on race, ethnicity, sex, parental income, scholastic achievement, or any of the individual characteristics set forth in Education Code 220. However, the Superintendent or designee may deny enrollment into the district if any of the following circumstances is present: (Education Code 48204)

1. The additional cost of educating the student would exceed the amount of additional state aid received as a result of the transfer.
2. Enrollment of the student would adversely affect the district's court-ordered or voluntary desegregation plan as determined by the Governing Board.
3. Other circumstances exist that are not arbitrary. Such circumstances may include, but are not limited to, overcrowding of school facilities at the relevant grade level.

Once a student establishes residency on this basis, he/she shall not be required to reapply for enrollment in subsequent years. The student may continue to attend school in the district through the highest grade level offered by the district if the parent/guardian so chooses and if at least one parent/guardian of the student continues to be physically employed by an employer situated within district boundaries, subject to the exceptions in items #1-3 above. (Education Code 48204)

**PARENT/GUARDIAN NOTICE  
RELEASE OF DIRECTORY INFORMATION**

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that \_\_\_\_\_(district name)\_\_\_\_\_, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, the district may disclose appropriately designated "directory information" without written consent, unless you have advised the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow the district to include this type of information from your child's education records in certain school and/or district publications. Examples include:

- a playbill, showing your child's role in a drama production
- the annual yearbook
- honor roll or other recognition lists
- graduation programs
- sports activity sheets, such as for wrestling, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent/guardian's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require districts receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA), as amended, to provide military recruiters, upon request, with students' names, addresses, and telephone listings, unless parents/guardians have advised the district that they do not want their child's information disclosed without their prior written consent.

If you do not want the district to disclose directory information from your child's education records without your prior written consent, you must notify the district in writing by \_\_\_\_\_(insert date)\_\_\_\_\_. The district has designated the following information as directory information:

1. Name
2. Address
3. Telephone number
4. Email address
5. Date of birth
6. Major field of study
7. Participation in officially recognized activities and sports
8. Weight and height of athletic team members
9. Dates of attendance
10. Degrees and awards received
11. Most recent previous school attended

The district also may disclose your child's student identification number, user identification, or other unique personal identifier used to communicate in electronic systems, provided it cannot be used to access education records without a personal identification number (PIN), password, or other factor that only the authorized user knows. Your child's social security number will not be used for this purpose.

**Board Policy  
Students  
Bullying**

**BP 5131.2(a)**

The Governing Board recognizes the harmful effects of bullying on student learning and school attendance and desires to provide a safe school environment that protects students from physical and emotional harm. District employees shall establish student safety as a high priority and shall not tolerate bullying of any student.

No individual or group shall, through physical, written, verbal, or other means, harass, sexually harass, threaten, intimidate, retaliate, cyberbully, cause bodily injury to, or commit hate violence against any student or school personnel.

Cyberbullying includes the electronic creation or transmission of harassing communications, direct threats, or other harmful texts, sounds, or images as defined in Education Code 48900. Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage that person's reputation.

Strategies for addressing bullying in district schools shall be developed with involvement of key stakeholders, including students, parents/guardians, and staff, and may be incorporated into the comprehensive safety plan, the local control and accountability plan, and other applicable district and school plans.

As appropriate, the Superintendent or designee may collaborate with law enforcement, courts, social services, mental health services, other agencies, and community organizations in the development and implementation of joint strategies to promote safety in schools and the community and to provide services for alleged victims and perpetrators of bullying.

Bullying Prevention

To the extent possible, district schools shall focus on the prevention of bullying by establishing clear rules for student conduct and implementing strategies to promote a positive, collaborative school climate. Students shall be informed, through student handbooks and other appropriate means, of district and school rules related to bullying, mechanisms available for reporting incidents or threats, and the consequences for engaging in bullying.

As appropriate, the district shall provide students with instruction, in the classroom or other educational settings, that promotes social-emotional learning, effective communication and conflict resolution skills, character/values education, respect for cultural and individual differences, self-esteem development, assertiveness skills, and appropriate online behavior.

Such instruction shall also educate students about the negative impact of bullying, discrimination, intimidation, and harassment based on actual or perceived immigration status, religious beliefs and customs, or any other individual bias or prejudice.

The Superintendent or designee shall provide training to teachers and other school staff to raise their awareness about the legal obligation of the district and its employees to prevent discrimination, harassment, intimidation, and bullying of district students. Such training shall be designed to provide staff with the skills to:

1. Discuss the diversity of the student body and school community, including their varying immigration experiences
2. Discuss bullying prevention strategies with students, and teach students to recognize the behavior and characteristics of bullying perpetrators and victims
3. Identify the signs of bullying or harassing behavior

## **Bullying (continued)**

**BP 5131.2(b)**

4. Take immediate corrective action when bullying is observed
5. Report incidents to the appropriate authorities, including law enforcement in instances of criminal behavior

Based on an assessment of bullying incidents at school, the Superintendent or designee may increase supervision and security in areas where bullying most often occurs, such as classrooms, playgrounds, hallways, restrooms, and cafeterias.

### Intervention

Students are encouraged to notify school staff when they are being bullied or suspect that another student is being victimized. In addition, the Superintendent or designee shall develop means for students to report threats or incidents confidentially and anonymously.

School staff who witness an act of bullying shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When appropriate based on the severity or pervasiveness of the bullying, the Superintendent or designee shall notify the parents/guardians of victims and perpetrators and may contact law enforcement.

The Superintendent, principal, or principal's designee may refer a victim, witness, perpetrator, or other student affected by an act of bullying to a school counselor, school psychologist, social worker, child welfare attendance personnel, school nurse, or other school support service personnel for case management, counseling, and/or participation in a restorative justice program as appropriate. (Education Code 48900.9)

### Reporting and Filing of Complaints

Any student, parent/guardian, or other individual who believes that a student has been subjected to bullying or who has witnessed bullying may report the incident to a teacher, the principal, a compliance officer, or any other available school employee. Within one business day of receiving such a report, a staff member shall notify the principal of the report, whether or not a uniform complaint is filed. In addition, any school employee who observes an incident of bullying involving a student shall, within one business day, report his/her observation to the principal or a district compliance officer, whether or not the alleged victim files a complaint.

Within two business days of receiving a report of bullying, the principal shall notify the district compliance officer identified in AR 1312.3 - Uniform Complaint Procedures.

When the circumstances involve cyberbullying, individuals with information about the activity shall be encouraged to save and print any electronic or digital messages that they feel constitute cyberbullying and to notify a teacher, the principal, or other employee so that the matter may be investigated. When a student uses a social networking site or service to bully or harass another student, the Superintendent or designee may file a request with the networking site or service to suspend the privileges of the student and to have the material removed.

When a report of bullying is submitted, the principal or a district compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with AR 1312.3. The student who is the alleged victim of the bullying shall be given an opportunity to describe the incident, identify witnesses who may have relevant information, and provide other evidence of bullying.

### Investigation and Resolution of Complaints

Any complaint of bullying shall be investigated and, if determined to be discriminatory, resolved in accordance with law and the district's uniform complaint procedures specified in AR 1312.3.

## **Bullying (continued)**

**BP 5131.2(c)**

If, during the investigation, it is determined that a complaint is about nondiscriminatory bullying, the principal or designee shall inform the complainant and shall take all necessary actions to resolve the complaint.

### Discipline

Corrective actions for a student who commits an act of bullying of any type may include counseling, behavioral intervention and education, and, if the behavior is severe or pervasive as defined in Education Code 48900, may include suspension or expulsion in accordance with district policies and regulations.

Any employee who permits or engages in bullying or retaliation related to bullying shall be subject to disciplinary action, up to and including dismissal.

Responding to Requests for Information

Unless authorized by the Family Educational Rights and Privacy Act pursuant to 20 USC 1232g, student information shall not be disclosed to immigration law enforcement authorities without parental consent, a court order, or judicial subpoena. The Superintendent or designee shall annually notify parents/guardians that the district will not release student information to third parties for immigration enforcement purposes, unless the parent/guardian consents or as required to do so by a court order or judicial subpoena.

Upon receiving any verbal or written request for information related to a student's or family's immigration or citizenship status, district staff shall:

1. Notify the Superintendent or designee about the information request
2. Provide students and families with appropriate notice and a description of the immigration officer's request

(Government Code 8310.3)

Responding to Requests for Access to Students or School Grounds

District staff shall receive parent/guardian consent before a student is interviewed or searched by any officer seeking to enforce civil immigration laws at the school, unless the officer presents a valid, effective warrant signed by a judge or a valid, effective court order. A student's parent/guardian shall be immediately notified if a law enforcement officer requests or gains access to the student for immigration enforcement purposes, unless the judicial warrant or subpoena restricts disclosure to the parent/guardian.

All visitors and outsiders, including immigration enforcement officers, shall register with the principal or designee upon entering school grounds during school hours. Each visitor or outsider shall provide the principal or designee with his/her name, address, occupation, age if less than 21, purpose in entering school grounds, proof of identity, and any other information required by law. (Penal Code 627.2, 627.3)

As early as possible, district staff shall notify the Superintendent or designee of any request by an immigration enforcement officer for access to the school or a student or for review of school documents, including service of lawful subpoenas, petitions, complaints, warrants, or other such documents.

In addition, district staff shall take the following actions in response to an officer present on the school campus specifically for immigration enforcement purposes:

1. Advise the officer that before school personnel can respond to the officer's request, they must first receive notification and direction from the Superintendent or designee, except under exigent circumstances that necessitate immediate action
2. Request to see the officer's credentials, including his/her name and badge number, and the phone number of the officer's supervisor, and note or make a copy of all such information
3. Ask the officer for his/her reason for being on school grounds and document the response

**Response to Immigration Enforcement (continued)****AR 5145.13(b)**

4. Request that the officer produce any documentation that authorizes his/her school access
5. Make a copy of all documents produced by the officer and retain one copy for school records
6. If the officer declares that exigent circumstances exist and demands immediate access to the campus, comply with the officer's orders and immediately contact the Superintendent or designee
7. If the officer does not declare that exigent circumstances exist, respond according to the requirements of the officer's documentation, as follows:
  - a. If the officer has an Immigrations and Customs Enforcement (ICE) administrative warrant, district staff shall inform the agent that they cannot consent to any request without first consulting with the district's legal counsel or other designated district official.
  - b. If the officer has a federal judicial warrant, such as a search and seizure warrant or an arrest warrant signed by a federal judge or magistrate, district staff shall promptly comply with the warrant. If feasible, district staff shall consult with the district's legal counsel or designated administrator before providing the officer with access to the person or materials specified in the warrant.
  - c. If the officer has a subpoena for production of documents or other evidence, district staff shall inform the district's legal counsel or other designated official of the subpoena and await further instructions as to how to proceed.
8. Do not attempt to physically impede the officer, even if the officer appears to be exceeding the authorization given under a warrant or other document. If an officer enters the premises without consent, district staff shall document the officer's actions while on campus.
9. After the encounter with the officer, promptly make written notes of all interactions with the officer, including:
  - a. A list or copy of the officer's credentials and contact information
  - b. The identity of all school personnel who communicated with the officer

  - e. District staff's response to the officer's request
  - f. Any further action taken by the officer
  - g. A photo or copy of any documents presented by the officer
10. Provide a copy of these notes and associated documents collected from the officer to the district's legal counsel or other designated district official

The district's legal counsel or other designated official shall submit a timely report to the Governing Board regarding the officer's requests and actions and the district's responses. (Education Code 234.7)

The Superintendent or designee shall also email the Bureau of Children's Justice in the California Department of Justice (BCJ@doj.ca.gov) regarding any attempt by a law enforcement officer to access a school site or a student for immigration enforcement purposes.

Responding to the Detention or Deportation of Student's Family Member

The Superintendent or designee shall encourage students and their families to update their emergency contact information as needed throughout the school year and to provide alternative contacts, including an identified trusted adult guardian, in case a student's parent/guardian is detained or is otherwise unavailable. The Superintendent or designee shall notify students' families that information provided on the emergency cards will only be used in response to specific emergency situations and not for any other purpose.

The Superintendent or designee shall also encourage all students and families to learn their emergency phone numbers and be aware of the location of important documentation, including birth certificates, passports, social security cards, physicians' contact information, medication lists, lists of allergies, and other such information that would allow the students and families to be prepared in the event that a family member is detained or deported.

In the event that a student's parent/guardian is detained or deported by federal immigration authorities, the Superintendent or designee shall release the student to the person(s) designated in the student's emergency contact information or to any individual who presents a caregiver's authorization affidavit on behalf of the student. The Superintendent or designee shall only contact child protective services if district personnel are unable to arrange for the timely care of the student by the person(s) designated in the emergency contact information maintained by the school or identified on a caregiver's authorization affidavit.

The Superintendent or designee shall notify a student whose parent/guardian was detained or deported that the student continues to meet the residency requirements for attendance in a district school, provided that the parent/guardian was a resident of California and the student lived in California immediately before he/she moved out of state as a result of the parent/guardian's departure. (Education Code 48204.4)

The Superintendent or designee may refer a student or his/her family members to other resources for assistance, including, but not limited to, an ICE detainee locator, legal assistance, or the consulate or embassy of the parent/guardian's country of origin.

**Board Policy**  
**Students**  
**Nondiscrimination/Harassment**

**BP 5145.3(a)**

The Governing Board desires to provide a safe school environment that allows all students equal access and opportunities in the district's academic, extracurricular, and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, including discriminatory harassment, intimidation, and bullying, targeted at any student by anyone, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, gender expression, or genetic information, or association with a person or group with one or more of these actual or perceived characteristics.

This policy shall apply to all acts related to school activity or to school attendance occurring within a district school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school.

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also includes the creation of a hostile environment through prohibited conduct that is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. He/she shall provide training and information on the scope and use of the policy and complaint procedures and take other measures designed to increase the school community's understanding of the requirements of law related to discrimination. The Superintendent or designee shall regularly review the implementation of the district's nondiscrimination policies and practices and, as necessary, shall take action to remove any identified barrier to student access to or participation in the district's educational program. He/she shall report his/her findings and recommendations to the Board after each review.

Regardless of whether a complainant complies with the writing, timeline, and/or other formal filing requirements, all complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, or bullying, shall be investigated and prompt action taken to stop the discrimination, prevent recurrence, and address any continuing effect on students.

Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Any employee who permits or engages in prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall be subject to disciplinary action, up to and including dismissal.

Record-Keeping

The Superintendent or designee shall maintain a record of all reported cases of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, to enable the district to monitor, address, and prevent repetitive prohibited behavior in district schools.

Measures to Prevent Discrimination

To prevent unlawful discrimination, including discriminatory harassment, intimidation, retaliation, and bullying, of students at district schools or in school activities and to ensure equal access of all students to the educational program, the Superintendent or designee shall implement the following measures:

1. Publicize the district's nondiscrimination policy and related complaint procedures, including the coordinator/compliance officer's contact information, to students, parents/guardians, employees, volunteers, and the general public by posting them on the district's web site.
2. Post in a prominent and conspicuous location on the district and school web sites information regarding Title IX prohibitions against discrimination based on a student's sex, gender, gender identity, pregnancy, and parental status, including the following: (Education Code 221.61)
  - a. The name and contact information of the district's Title IX coordinator, including the phone number and email address
  - b. The rights of students and the public and the responsibilities of the district under Title IX, including a list of rights as specified in Education Code 221.8 and web links to information about those rights and responsibilities located on the web sites of the Office for Equal Opportunity and the U.S. Department of Education's Office for Civil Rights (OCR)
  - c. A description of how to file a complaint of noncompliance with Title IX in accordance with AR 1312.3 - Uniform Complaint Procedures, which shall include:
    - (1) An explanation of the statute of limitations within which a complaint must be filed after an alleged incident of discrimination has occurred and how a complaint may be filed beyond the statute of limitations
    - (2) An explanation of how the complaint will be investigated and how the complainant may further pursue the complaint, including web links to this information on the OCR's web site
    - (3) A web link to the OCR complaints form and the contact information for the office, including the phone number and email address for the office

3. Provide to students a handbook that contains age-appropriate information that clearly describes the district's nondiscrimination policy, procedures for filing a complaint, and resources available to students who feel that they have been the victim of any such behavior. (Education Code 234.1)
4. Annually notify all students and parents/guardians of the district's nondiscrimination policy, including its responsibility to provide a safe, nondiscriminatory school environment for all students, including transgender and gender-nonconforming students. The notice shall inform students and parents/guardians that they may request to meet with the compliance officer to determine how best to accommodate or resolve concerns that may arise from the district's implementation of its nondiscrimination policies. The notice shall also inform all students and parents/guardians that, to the extent possible, the district will address any individual student's interests and concerns in private.
5. The Superintendent or designee shall ensure that students and parents/guardians, including those with limited English proficiency, are notified of how to access the relevant information provided in the district's nondiscrimination policy and related complaint procedures, notices, and forms in a language they can understand.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning nondiscrimination shall be translated into that language in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

6. Provide to students, employees, volunteers, and parents/guardians age-appropriate training and information regarding the district's nondiscrimination policy; what constitutes prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying; how and to whom a report of an incident should be made; and how to guard against segregating or stereotyping students when providing instruction, guidance, supervision, or other services to them. Such training and information shall include details of guidelines the district may use to provide a discrimination-free environment for all district students, including transgender and gender-nonconforming students.
7. At the beginning of each school year, inform school employees that any employee who witnesses any act of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, against a student is required to intervene if it is safe to do so. (Education Code 234.1)
8. At the beginning of each school year, inform each principal or designee of the district's responsibility to provide appropriate assistance or resources to protect students from threatened or potentially discriminatory behavior and ensure their privacy rights.

#### Enforcement of District Policy

The Superintendent or designee shall take appropriate actions to reinforce BP 5145.3 - Nondiscrimination/Harassment. As needed, these actions may include any of the following:

1. Removing vulgar or offending graffiti
2. Providing training to students, staff, and parents/guardians about how to recognize unlawful discrimination, how to report it or file a complaint, and how to respond
3. Disseminating and/or summarizing the district's policy and regulation regarding unlawful discrimination
4. Consistent with laws regarding the confidentiality of student and personnel records, communicating to students, parents/guardians, and the community the school's response plan to unlawful discrimination or harassment
5. Taking appropriate disciplinary action against students, employees, and anyone determined to have engaged in wrongdoing in violation of district policy, including any student who is found to have filed a complaint of discrimination that he/she knew was not true

Process for Initiating and Responding to Complaints

Any student who feels that he/she has been subjected to unlawful discrimination described above or in district policy is strongly encouraged to immediately contact the compliance officer, principal, or any other staff member. In addition, any student who observes any such incident is strongly encouraged to report the incident to the compliance officer or principal, whether or not the alleged victim files a complaint.

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported shall report the incident to the compliance officer or principal within a school day, whether or not the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

When a verbal report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is made to or received by the principal or compliance officer, he/she shall make a note of the report and encourage the student or parent/guardian to file the complaint in writing, pursuant to the provisions in AR 1312.3 - Uniform Complaint Procedures. Once notified verbally or in writing, the principal or compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, compliance officer, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.

Transgender and Gender-Nonconforming Students

Gender identity of a student means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense of his/her gender, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

Transgender student means a student whose gender identity is different from the gender he/she was assigned at birth.

Regardless of whether they are sexual in nature, acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment are prohibited.

## **Nondiscrimination/Harassment (continued)**

**AR 5145.3(d)**

Examples of the types of conduct which are prohibited in the district and which may constitute gender-based harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with his/her gender identity
2. Disciplining or disparaging a student or excluding him/her from participating in activities for behavior or appearance that is consistent with his/her gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable
3. Blocking a student's entry to the restroom that corresponds to his/her gender identity
4. Taunting a student because he/she participates in an athletic activity more typically favored by a student of the other sex
5. Revealing a student's transgender status to individuals who do not have a legitimate need for the information, without the student's consent
6. Use of gender-specific slurs
7. Physical assault of a student motivated by hostility toward him/her because of his/her gender, gender identity, or gender expression

The district's uniform complaint procedures (AR 1312.3) shall be used to report and resolve complaints alleging discrimination against transgender and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list, as well as improper rejection by the district of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's transgender status, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that transgender and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the district shall address each situation on a case-by-case basis, in accordance with the following guidelines:

1. **Right to privacy:** A student's transgender or gender-nonconforming status is his/her private information and the district shall only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the district shall only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the district pursuant to 34 CFR 99.31. Any district employee to whom a student's transgender or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a district employee by a student, the employee shall seek the student's permission to notify the compliance officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless he/she is required to disclose or report the student's information pursuant to this administrative regulation, and shall inform the student that honoring the student's request may limit the district's ability to meet the student's needs related to his/her status as a transgender or gender-nonconforming student. If the student permits the employee to notify the compliance officer, the employee shall do so within three school days.

As appropriate given the student's need for support, the compliance officer may discuss with the student any need to disclose the student's transgender or gender-nonconformity status or gender identity or gender expression to his/her parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The district shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

2. **Determining a Student's Gender Identity:** The compliance officer shall accept the student's assertion of his/her gender identity and begin to treat the student consistent with his/her gender identity unless district personnel present a credible and supportable basis for believing that the student's assertion is for an improper purpose.
3. **Addressing a Student's Transition Needs:** The compliance officer shall arrange a meeting with the student and, if appropriate, his/her parents/guardians to identify and develop strategies for ensuring that the student's access to education programs and activities is maintained. The meeting shall discuss the transgender or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer shall identify specific school site employee(s) to whom the student may report any problem related to his/her status as a transgender or gender-nonconforming individual, so that prompt action can be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the arrangements for the student are meeting his/her educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.
4. **Accessibility to Sex-Segregated Facilities, Programs, and Activities:** When the district maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity. To address any student's privacy concerns in using sex-segregated facilities, the district shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, access to a staff member's office, or use of the locker room before or after the other students. However, the district shall not require a student to utilize these options because he/she is transgender or gender-nonconforming. In addition, a student shall be permitted to participate in accordance with his/her gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with his/her gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.
5. **Student Records:** A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed with proper documentation. However, at the written request of a student or, if appropriate, his/her parents/guardians, the district shall use the student's preferred name and pronouns consistent with his/her gender identity on all other district-related documents. Such preferred name may be added to the student's record and official documents as permitted by law.
6. **Names and Pronouns:** If a student so chooses, district personnel shall be required to address the student by a name and the pronouns consistent with his/her gender identity, without the necessity of a court order or a change to his/her official district record. However, inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or consistent pronouns will, in general, not constitute a violation of this administrative regulation or the accompanying district policy.
7. **Uniforms/Dress Code:** A student has the right to dress in a manner consistent with his/her gender identity, subject to any dress code adopted on a school site.

Parental Notifications**

**BP 5145.6**

The Governing Board desires to promote effective communication between the school and the home and to keep parents/guardians informed regarding educational programs, school operations, and the legal rights of students and their parents/guardians. The Superintendent or designee shall send parents/guardians and students all notifications required by law and any other notifications he/she believes will promote parental understanding and involvement.

Notice of the rights and responsibilities of parents/guardians as specified in Education Code 48980 shall be sent at the beginning of each academic year and may be provided by regular mail, in electronic form when so requested by the parent/guardian, or by any other method normally used by the district for written communication with parents/guardians. (Education Code 48981)

No activity specified in Education Code 48980 shall be undertaken with respect to any particular student unless his/her parent/guardian has been informed of such action through the annual notification or other separate special notification. Such notice shall state the activity that will be undertaken and the approximate date on which the activity will occur. (Education Code 48983-48984)

The annual notification shall include a request that the parent/guardian sign the notice and return it to the school or, if the notice is provided in electronic format, that the parent/guardian submit a signed acknowledgment of receipt of the notice to the school. The parent/guardian's signature is an acknowledgment of receipt of the information but does not indicate that consent to participate in any particular program has been given or withheld. (Education Code 48982)

Whenever a student enrolls in a district school during the school year, his/her parents/guardians shall be given all required parental notifications at that time.

Notifications shall be presented in an understandable and uniform format and, to the extent practicable, in a language that parents/guardians can understand.

Whenever 15 percent or more of the students enrolled in a district school speak a single primary language other than English, as determined from the California Department of Education census data collected pursuant to Education Code 52164, all notices sent to the parent/guardian of any such student shall, in addition to being written in English, be written in the primary language, and may be responded to either in English or the primary language. (Education Code 48981, 48985)

Whenever an employee learns that a student's parent/guardian is unable to understand the district's printed notifications for any reason, he/she shall inform the principal or designee, who shall work with the parent/guardian to establish other appropriate means of communication.

**Board Policy  
Students  
Hate-Motivated Behavior**

**BP 5145.9**

The Governing Board is committed to providing a safe learning environment that protects students from discrimination, harassment, intimidation, bullying, and other behavior motivated by a person's hostility towards another person's real or perceived ethnicity, national origin, immigrant status, sex, gender, sexual orientation, religious belief, age, disability, or any other physical or cultural characteristic. The Superintendent or designee shall design strategies to promote harmonious relationships among students, prevent incidents of hate-motivated behavior to the extent possible, and address such incidents if they occur.

The district shall provide students with age-appropriate instruction that includes the development of social-emotional learning, promotes their understanding of and respect for human rights, diversity, and acceptance in a multicultural society, and provides strategies to manage conflicts constructively.

As necessary, the district shall provide counseling, guidance, and support to students who are victims of hate-motivated behavior and to students who exhibit such behavior.

The Superintendent or designee shall ensure that the rules prohibiting hate-motivated behavior and procedures for reporting a hate-motivated incident are provided to students and parents/guardians.

The Superintendent or designee shall provide staff with training on recognizing and preventing hate-motivated behavior and on effectively enforcing rules for appropriate student conduct.

Complaint Process

A student or parent/guardian who believes the student is a victim of hate-motivated behavior is strongly encouraged to report the incident to a teacher, the principal, or other staff member.

Any staff member who is notified that hate-motivated behavior has occurred, observes such behavior, or otherwise becomes aware of an incident shall immediately contact the principal or the compliance officer responsible for coordinating the district's response to complaints and complying with state and federal civil rights laws. As appropriate, he/she shall also contact law enforcement.

Any complaint of hate-motivated behavior shall be investigated and, if determined to be discriminatory, shall be resolved in accordance with law and the district's uniform complaint procedures specified in AR 1312.3 - Uniform Complaint Procedures. If, during the investigation, it is determined that a complaint is about nondiscriminatory behavior, the principal or designee shall inform the complainant and shall take all necessary actions to resolve the complaint.
