Dear Parents and Students:

As part of the Quaker Valley School District's effort to promote and support abstinence from the use of chemicals and keep students safe and healthy, QVSD School Board Policy 204.01 establishes guidelines for addressing chemical use by all students who are engaged in co-curricular activities. These guidelines apply to student athletes as well as members of clubs and activities supported by the school. In addition, this *Zero Tolerance Policy* is accompanied by the district's established policy for drug and alcohol abuse (204.00) and is part of the QVSD Secondary Schools Code of Conduct. Each of these policies is available in the Quaker Valley District's website under Board Policies:

<http://www.qvsd.org/page.cfm?p=3553&pback=2571> (select 204.00 and 204.01).

All students who wish to participate in school athletics and activities must be made aware of the *Zero Tolerance* policy and must sign, along with their parents, an acknowledgment of the terms outlined in the policy. Please sign the form below to acknowledge your reading of the guidelines to be followed and return it to the coach/sponsor responsible for the activity in which the student is participating. Students must return their completed form before participation is permitted. These signed acknowledgments will be kept on file at each school.

Your support is greatly appreciated.

Sincerely,

Deborah L. Riccobelli
Principal
