A SCHOOL OF EXCELLENCE

Principal's News:

Welcome to Team Success! I hope that everyone had a fun and relaxing summer. I am excited to have you all back with us to start off another productive and hardworking year. Our team is committed to creating students who are professional athletes of education. I am also excited to welcome our very first 10th grade class to the Team Success High School!

I am so thrilled to share with you all, that Team Success has received an "A" for the 2017-2018 school year! Our students have been working hard and it shows once again. We will continue to hold high expectations and push students to be the excellent students that they are. This year is going to be another successful year here at Team Success and I am so glad that you will be part of it!

I am looking forward to working with all our teachers and students this school year. I'm proud of all our students who contributed in order for us to be an "A" school. Keep up the good work and continue to make us proud. Team Success is so excited to have been part of the success our students have accomplished. This school year will be a busy one! There are lots of new changes this year, so please be encouraging at home. If you have any questions, comments, concerns, please feel free to contact the front office and we will be more than happy to help in what we can. The teachers who are out of field are working on getting the required certification or Reading/ESOL endorsement. Let's continue to work hard and let's have a great year.
