March 8, 2019

Dear Franklin Northeast Students, Parents and Families,

Currently, we have three snow days to make up at the end of the school year due to weather related school closures. This puts our last school day on a Monday. In an effort to maximize our most productive academic time with students, the following change will be made to the 2018/2019 school year calendar:

- Friday, March 29, 2019 will now be a regular school day rather than a teacher in-service day. Please plan on your child(ren) attending his/her respective school on that day. Busses will run normally on that day.

Hopefully, we are reaching the final days of winter and the remainder of the season is mild.

Thank you for your patience and understanding.

Sincerely,

Lynn Cota
Superintendent

The Children's Literacy Foundation Awards \$25,000 Year of the Book Grant to Ten Schools- Congratulations to Enosburg Elementary!

Waterbury Center, VT: The Children's Literacy Foundation (CLiF) has awarded its \$25,000 Year of the Book literacy grant to five elementary schools in Vermont and five schools in New Hampshire for the 2019-2020 school year. The Year of the Book grant involves a full school year of exciting programming, including several visits from NH and VT authors, illustrators, poets, graphic novelists, and storytellers. Additionally, family literacy events, special literacy programs selected by each school, and funds for classroom projects are included. The teachers and children will benefit through new books for classrooms, the school library, and the local public library. Best of all, each child in preschool through grade 5 will receive ten new books for each child to choose and keep for their very own.

The grant is intended to create a culture of literacy within a community, to supplement schools' literacy efforts, to provide low-income, at-risk, and rural children access to high-quality reading materials of their choice, and to get kids excited about reading and writing. Selected schools demonstrated a commitment to literacy and creative ideas for promoting reading and writing, as well as high percentages of low-income students and students underperforming on reading and writing.

Schools selected for the 2019-2020 school year are:

- Barton Academy & Graded School, Barton, VT
- Barre City Elementary and Middle Schools, Barre, VT
- Bridgewater-Hebron Village Elementary School, Bridgewater, NH
- Disnard Elementary School, Claremont, NH
- **Enosburg Falls Elementary School, Enosburg Falls, VT**
- Hartland Elementary School, Hartland, VT
- Hinsdale Elementary School, Hinsdale, NH
- Benjamin Franklin Elementary School, Keene, NH
- Laconia Middle School, Laconia, NH
- Valley Community School District, Washington, VT

“These ten schools have made tremendous steps, with very small budgets, to bring literacy activities to their schools,” says CLiF Program Director Meredith Scott. “The CLiF Year of the Book grant combined with their existing initiatives will have incredible and long lasting impact on communities where families face many challenges. CLiF is very proud to partner with the dedicated staff, faculty, students and volunteers in these diverse schools.”

About the Children’s Literacy Foundation (CLiF)

CLiF is a non-profit organization whose mission is to nurture a love of reading and writing among low income, at risk, and rural children up to age 12 throughout New Hampshire and Vermont. Since 1998, CLiF has supported and inspired 250,000 young readers and writers through its literacy program grants and has given away \$6 million in new, high quality children's books. For more information about CLiF, visit www.clifonline.org.
