**Sherry Allen, Ed.S.**

*Principal*

**Angie McDaniel, Ed.S.**

*Assistant Principal*

We look forward to seeing you on **Monday, August 5, 2019** for your child's Orientation and Open House. For your convenience, we are combining these two traditional school events and hosting one very important informational meeting. To accommodate our working families schedules, to reduce parking congestion, and to ensure that we are able to provide enough time for you and your child to gather all the information needed to get the year off to a great start, Orientation/Open House will be held from 4:30pm - 7:30pm on **Monday, August 5th**. Each homeroom teacher will host a 30 minute class meeting at the top of each hour. You and your child are encouraged to attend one of the three sessions to meet your child's teacher, to learn more about school wide and classroom procedures, to explore the curriculum and resources your child will be learning/utilizing this year, and much more. Teachers will repeat the session each hour to provide families with more than one child at LES the time needed to attend each of their children's orientations.

**There will be three sessions from which to choose; they will start promptly at the times below.**

<b>Session</b>	<b>Start Time</b>	<b>Location</b>
1	5:00	Your child's homeroom class
2	6:00	Your child's homeroom class
3	7:00	Your child's homeroom class

***\*Student homeroom assignments will be posted in the beginning of each hallway.***

In addition to attending your child's classroom orientation, each family is asked to come by the cafeteria and gym for information regarding transportation, breakfast/lunch program, school supplies, PTO, clinic, before and after school program, etc. Support staff will be available to assist you and your child with any questions or concerns you may have.

We are so excited about the school year ahead and look forward to partnering with you as we help all students reach their fullest potential! See you on **Monday, August 5th** between **4:30pm - 7:30pm!**

Your partner in learning,

Lewiston Elementary School
