

Bus Information for Wednesday, March 18th-Friday,
March 20th

Wallburg will be conducting our normal AM bus routes for work delivery to those who do not have transportation to pick up their student's work beginning Wednesday, March 18th.

Buses will be stopping at your child's normal bus stop to deliver work. We will be operating our bus routes on a 4 hour delay.

(For example, if your bus arrives at your house at 7:05, the bus will be at your house around 11:05am.)

Be prepared to be available at the stop if you need work delivered.
