Re: Student Accident / Health Insurance Available for Purchase

Dear Parent/Legal Guardian:

Student accident insurance is more important than ever. Despite your best efforts to protect them, children get hurt and out-of-pocket expenses for medical care can be significant.

Please know that the District **does not** assume responsibility for medical costs. However, UUSD offers you access to purchase a low cost, voluntary student accident/health insurance.

Is your child already covered? Does your plan have large deductibles and co-insurance? Do you want to be able to see the doctor of your choosing? Myers-Stevens & Toohey can help.

Click [here](#) to find out how and learn about plans and rates.

If you have any questions, call Myers-Stevens & Toohey at (800) 827-4695. Bilingual representatives are available for parents who need assistance in Spanish.

**In order to document that you have been notified of this matter, please complete and sign the bottom of this form.**

Sincerely,

Lauren Bishop
