

## Pre-Participation Acknowledgement of Assumption of Risk and Release of Liability

Acknowledgement of Assumption of Risk: Athletics

I understand athletic participation is inherently involved with physical movement and physical contact, which are the components that distinguishes it from the typical classroom. Understanding this, there are genuine risks to anyone who engages in athletics.

I understand by participating in athletics my student runs the risk of being injured.

I also understand that other student's participating may engage in conduct that may increase the risk of injury to my student.

I knowingly assume responsibility for any and all such risks and all resulting injuries, including death.

I do hereby voluntarily choose for my child to participate in athletics at UME Preparatory Academy in spite of the risks.

Furthermore, my child does not have any medical record or history that could be aggravated by his/her participation in athletics.
