ABOUT THIS EMPLOYEE HANDBOOK

Our Employee Handbook was created to provide all employees of the North Adams Public School District an overview of policies and procedures. Understand that this handbook contains important information on the general personnel policies, practices, privileges, and obligations of being an employee. In addition, the North Adams Public School Employee Handbook contains notifications required by law.

This handbook does not constitute a contract and makes no guarantees of employment, compensation, or benefits. The Superintendent and/or School Committee reserve the right to make changes in the policies and practices at any time at their sole discretion, and interpret and administer the policies in light of changing circumstances, events, and applicable statutory guidelines.

PART I. Mission of the North Adams Public Schools

§ 1. Mission of the North Adams Public Schools

The North Adams School Committee has established the school system's mission as follows:

The mission of the North Adams Public Schools is to help every child learn every day and empower all students to recognize and optimize their full potential. (Policy AD).

PART II. School System Governance

§ 1. Appointing Authority for Employees

The Superintendent appoints principals for each public school in the district. (Two or more elementary schools may share a principal, and teaching principals are also permitted in elementary schools.) The Superintendent also appoints administrators and other personnel not assigned to particular schools. All such appointments are made at levels of compensation determined in accordance with school committee policies. (G.L. c. 71, [[section]] 59B) The superintendent appoints athletic coaches. (G.L. c. 71, [[section]] 47A)

Teachers and other school staff

The Principal is responsible, consistent with district personnel policies and budgetary restrictions, and subject to the approval of the Superintendent, for hiring all teachers, instructional or administrative aides and other personnel assigned exclusively to the school, and for terminating all such personnel, subject to review and prior approval by the Superintendent and subject to the provisions of state law. (G.L. c. 71, [[section]] 59B)

The School Committee shall appoint the school business administrator, administrator of special education, school physicians, registered nurses, supervisors of attendance, and legal counsel.

§ 2. School Committee's Duties

The North Adams School Committee, which is elected biennially by the voters of North Adams, is created under the laws of the Commonwealth of Massachusetts and the Charter of the City of North Adams to oversee the operation of the North Adams Public Schools. Its principal responsibilities include: employment of a Superintendent of Schools as chief executive officer of the school system; adoption annually of a budget for the operation of the schools; adoption of policies and procedures for the governance of the school system; adoption of curricula and textbooks for the education of the children of the city; and negotiation and ratification of M.G.L. c. 150E collective bargaining agreements with North Adams Public Schools employee bargaining units.

§ 3. School Committee's Composition

The North Adams School Committee shall consist of the Mayor, who shall be the Chairperson, and six members elected at large. Of the six members elected at large, three members are elected biennially to serve four year terms. The names of the current members of the School Committee appear on our website.

§ 4. School Committee Policy Manual

A. Topics Addressed. The duly adopted policies of the North Adams School Committee, along with federal and state statutes and regulations, are the rules by which the North Adams Public Schools are to be governed. These policies are compiled in a policy manual, which sets forth Committee policies in the following areas: foundations and basic commitments; School Committee governance and operations; general school administration; fiscal management; support services; facilities development; personnel; negotiations; instruction; students; community relations; and education agency relations. The manual is updated annually as new policies are adopted and existing policies are revised as needed.

B. Location of Copies. A complete set of North Adams School Committee policies can be found at the North Adams Public Schools' website (www.napsk12.org). Every employee of the North Adams Public Schools should become familiar with the School Committee's policies, particularly those that pertain to her/his area(s) of responsibility.

§ 5. School District Website

The North Adams Public Schools maintains an Internet website containing information about the school system. In addition to the School Committee's policy manual, the website contains directory information about administrative staff in the school system, websites for the system's individual schools, links to outside websites, including those of the Massachusetts Department of Elementary and Secondary Education (DESE), postings of job vacancies and positions available in the school system, and other items of interest to the North Adams Public Schools' community and the general public. The website address is:

www.napsk12.org

PART III. Discrimination Prohibitions & Procedures

§ 1. Employment Non-Discrimination Statement

The North Adams Public Schools' policy of nondiscrimination will extend to students, staff, the general public, and individuals with whom it does business; No person shall be excluded from or discriminated against on account of age, race, color, sex, gender identity, pregnancy and pregnancy-related conditions, religion, national origin, sexual orientation, disability or homelessness. (Policy AC)

§ 2. Discriminatory Conduct by Employees Prohibited

Each employee of the North Adams Public Schools shall conduct herself/himself in a way that does not discriminate in any fashion, based on the protected categories cited in III § 1, above, and XII § 6, below, against any other employee, any student, or any other person encountered in the course of that employee's work for the North Adams Public Schools.

A North Adams Public Schools employee who is found to have discriminated against any person in the course of her/his employment by the North Adams Public Schools, whether that person be a fellow employee, a student, or a member of the public, may be subject to disciplinary action, up to and including termination. In addition, where a criminal violation is deemed likely to have occurred, the matter will be referred to appropriate law enforcement authorities.

§ 3. Examples of Prohibited Discriminatory Conduct

Examples of conduct that is discriminatory, and that therefore is strictly prohibited for any employee or agent of the North Adams Public Schools include, but are not limited to:

- racial harassment;
- sexual harassment, both quid pro quo and hostile workplace environment;
- harassment of an individual for her/his sexual orientation or gender identity;
- harassment of a person because of her/his disability or handicapping condition;
- harassment of a person because of her/his country of origin or first language;
- harassment of a person because of her/his religious beliefs or views; and
- refusal to make an offer of employment to a person with a handicapping condition that can be accommodated reasonably where that person's handicapping condition is the basis for the denial of employment.

This is not an exclusive or exhaustive list of discriminatory conduct that is prohibited.

§ 4. Filing a Complaint About Discrimination

A. Where to File a Complaint. Any employee or other person who believes that she/he has been the victim of discrimination on the basis of any of the categories listed above should promptly register a complaint, , either to the employee's immediate supervisor , or if the employee otherwise prefers, to the Grievance Officer (see III §11, below).

B. What Happens After a Complaint is Filed. All complaints will be taken seriously and will be investigated thoroughly. If, after investigation, an employee is deemed to have engaged in discriminatory conduct, appropriate action will be taken against the offending party, which may result in disciplinary action up to and including termination of employment.

C. Massachusetts Commission Against Discrimination (MCAD). Employees of the North Adams Public Schools who believe that their complaints alleging discrimination have not been dealt with in a satisfactory manner may receive further information and assistance by contacting:

Massachusetts Commission Against Discrimination (MCAD)
One Ashburton Place
Boston, MA 02108
(617) 727-3990

§ 5. Non-Confidentiality of Complaints About Discrimination

Employees who make a complaint about discrimination often wish their identities to be kept in confidence. This is not always possible. A complaint about discrimination obliges the North Adams Public Schools to investigate that complaint thoroughly, and to take prompt and effective action to rectify any discrimination that is found. To do this effectively the nature of the complaint and the identity of the complainant may have to be made known to some persons besides the administrator who receives the complaint. Those against whom complaints are filed have legal protections, including due process rights that must be respected.

For these reasons the North Adams Public Schools cannot assure an employee who makes a discrimination complaint of the confidentiality of that employee’s identity. Nevertheless, disclosure of a complainant’s identity will occur only when there is a sufficient and recognized reason for making such disclosure. Moreover, anyone who makes a discrimination complaint is protected against retaliation by federal and state law and by School Committee policy.

§ 6. Retaliation for Reports of Discriminatory Conduct Prohibited

It is prohibited by federal and state law and by School Committee policy for an employee of the North Adams Public Schools to retaliate against any person who has reported that she/he has been the victim of discrimination, or against any person who is cooperating or who has cooperated with such an investigation. It is further strictly prohibited for any employee to encourage, assist in, or promote retaliation against any such person, or otherwise to interfere or seek to interfere with the investigation of a complaint alleging discriminatory conduct. (See M.G.L. c. 151B § 3A) Retaliation by any person employed by the North Adams Public Schools against a person, who has complained about discrimination, or engagement in other conduct described in the previous paragraph, will be viewed as a very serious disciplinary infraction. Such conduct may be dealt with by penalties that include termination of employment. Discriminatory acts that are believed to rise to the level of criminal conduct will be referred to proper law enforcement authorities for further action.

§ 7. Knowingly Making False Discrimination Complaints Prohibited

It is strictly prohibited for any employee of the North Adams Public Schools to knowingly make a false report of discrimination against any other employee, any student, or any other person. In the event it is determined, after thorough investigation, that an employee has knowingly made a false report of discrimination, that employee may be subject to disciplinary action, up to and including termination. In addition, where a criminal violation is deemed likely to have occurred, the matter may be referred to appropriate law enforcement authorities.

§ 8. Reasonable Accommodations for Individuals with Disabilities

Pursuant to the requirements of the Americans with Disabilities Act of 1990 (ADA), Section 504 of the Rehabilitation Act of 1973, and applicable Massachusetts law (M.G.L. c. 151B), the North Adams Public Schools will provide reasonable accommodations for an employee who is legally entitled to such accommodations pursuant to either of these statutes. Specific information about employees’ rights under the ADA and Section 504 or about reasonable accommodations there under, may be obtained from the Administrator of Special Education.

§ 9. Pregnant Workers Fairness Act

In accordance with M.G.L. c.151B, §4 and the Pregnant Workers Fairness Act, North Adams Public School prohibits employment discrimination on the basis of pregnancy and pregnancy-related conditions, such as lactation or the need to express breast milk for a nursing child. Upon request for an accommodation, North Adams Public Schools will communicate with the employee in good faith in order to determine a reasonable accommodation for the pregnancy or pregnancy-related condition.

§ 10. Title IX/CH. 622

The School Committee, in accordance with Title IX of the Education Amendments of 1972, declares that the school system does not and will not discriminate on the basis of sex in the educational programs and activities of the public schools. This policy will extend not only to students with regard to educational opportunities, but also to employees with regard to employment opportunities.

The School Committee will continue to ensure fair and equitable educational and employment opportunities, without regard to sex, to all of its students and employees.

Abby Reifsnyder and Jonathan Slocum have been designated as the District’s Title IX compliance officers. If you have any questions or concerns regarding Chapter 622 or Title IX, please contact Abby Reifsnyder at E3, 206 Ashland Street, Telephone (413) 776-1669 or Jonathan Slocum at Colegrove Park Elementary School, 24 Church Street, Telephone (413) 662-3250.

§ 11. Grievance Officers

The North Adams School Committee has designated Thomas Simon and Sandra Cote as the Grievance Officers of the North Adams Public Schools. They are responsible for ensuring enforcement of all prohibitions of discriminatory conduct, all matters of reasonable accommodation of persons with handicapping conditions, and all other matters pertaining to civil rights that may arise in the North Adams Public Schools under Title II, Title VI, Title VII, the Americans with Disabilities Act, Section 504, and all other pertinent statutes.

PART IV. Wellness

§ 1. General

The School Committee has adopted a comprehensive Wellness Policy (File: ADF) in compliance with the expectations of The Child Nutrition and WIC Reauthorization Act of 2004, Section 204, P.L. 108-265. The policy was developed through the collaboration of the Wellness Committee, which includes parents, teachers, administration, and local service agencies. The following represent key policy items:

§ 2. Celebrations

Classrooms shall omit food and beverages from classroom holiday and birthday celebrations during the school day. Each elementary school will celebrate "Birthday Friday" once per month with a special nutritionally compliant treat provided by the food services department for all students.

§ 2. Rewards

North Adams Public Schools employees and volunteers shall not use foods or beverages as a reward in the classroom or common area for academic performance or good behavior. Students that have food-based accommodations in their IEP or 504 plans will be exempt. Parents, teachers, and staff are encouraged to think creatively and utilize non-food rewards. Additional non-food reward suggestions can be found on the NAPS website Food Services Department Wellness tab.

§ 2. Recess

Recess is a necessary break in the day for optimizing a child's social, emotional, physical, and cognitive development. Students will engage in a daily recess period for a minimum of 20 minutes. Weather and safety factors permitting, students will have outdoor recess daily. At times, when it is determined by administration that safe play may not occur outside, recess time will be held inside. Teachers or monitors supervise the playground, gymnasium, open spaces and home base activities. Please ensure that students are dressed for outdoor play, including appropriate footwear and outdoor gear especially during the winter. Outdoor recess is held unless it is below 10 degrees Fahrenheit, or if conditions outside are unsafe. During lunch and on the playground, children are expected to abide by the rules established for safe and appropriate behavior. They are also expected to follow the directions of the staff supervising these activities. Continual misbehavior at lunch and/or on the playground could result in community service, restorative practice, after school detention, or suspension from school. When students exhibit significant and/or repeated safety concerns for themselves/others during lunch/recess time, they may be assigned detention during this time by administration. Recess may be withdrawn only as a consequence of a student's behavior when that behavior jeopardizes the health and safety of the student or others, and only after all other means of addressing the behavioral issue have been exhausted.

B. Office Responsibilities. The Central Office is the official site of all personnel records for school district employees, past and present. It is also the site of the Payroll and Benefits Office. § 2. Pay Dates

Employees of the North Adams Public Schools are paid every other Friday. Twelve-month employees (principals, other administrators, custodians, year round employees, and teachers) are paid 26 times per year. School-year employees (paraprofessionals, school year employees, cafeteria employees, bus drivers) are paid either 26 or 22 times annually, depending on their individual or collective bargaining agreements. Persons employed for a shorter period will be paid as required by their length of actual service. The pay dates for the current school and contract years are shown on the district's website.

C. Making Changes in Benefit Coverage or Payroll Deductions. Changes in an employee's benefits, insurance coverage, credit union deductions, and other matters related to payroll are made through the Payroll Office. Time is of the essence in making such changes. For example, if an employee needs to add a dependent to her/his health insurance, or marries and needs health insurance coverage for her/his new spouse, or loses her/his coverage

on another person's insurance and needs to enroll in the City's health insurance coverage, then this must be done immediately when the benefits change is needed.

D. Change of Address and/or Phone Number. Changes in an employee's address and/or phone number should be reported to the Payroll Office immediately in order to make sure you receive all proper paperwork, insurance information, checks, W-2's, etc.

E. Direct Deposit. The district encourages all employees to elect to receive their paycheck via Direct Deposit. Some collective bargaining units require Direct Deposit. Please contact the Payroll Office with any questions.

§ 4. Employee Expense Reimbursement

Reimbursement for tolls, parking, food, or lodging must be submitted using the Travel Reimbursement Voucher and requires an original **itemized** receipt for each expense incurred for which reimbursement is sought. *When submitting multiple receipts on one voucher, circle each total and attach a totaled adding machine tape or excel spreadsheet list to the Travel Reimbursement Voucher.* Gratuities of up to 18% are reimbursable. Alcohol and sales tax are not reimbursable and alcohol should not be on any receipt submitted for reimbursement.

§ 5. Employee Mileage Reimbursement

When a North Adams Public Schools employee has an assignment that requires that she/he drive her/his own vehicle on work-related matters, then the employee may claim a mileage reimbursement for each duly reported mile traveled. The mileage reimbursement rate is at the rate proscribed by the City of North Adams. Travel to work from home and home to work is not reimbursable. Mileage claims should be submitted monthly rather than aggregated. See instructions for submission as detailed in Employee Expense Reimbursement listed above.

§ 6. Ordering of Supplies or Equipment Requires Prior Authorization

The only way that an employee of the North Adams Public Schools may order any item(s), supplies, materials, or services that is chargeable to the school budget, whether to local or to grant funds, is with prior approval. "Prior approval" means only a duly issued purchase order or, as circumstances may warrant, an appropriate North Adams Public Schools contract. All such purchase orders must be issued, and all such contracts must be duly executed, before the item(s), supplies, materials, or services may be purchased or rendered.

§ 7. Unauthorized Use of Tax Exempt Number Prohibited

Timely notice is needed in order to allow the school system to secure a substitute whenever necessary, and to plan for coverage in the employee's absence.

Any employee who has been employed by the North Adams Public Schools for the preceding 12 months and has worked a minimum of 1250 hours in those preceding 12 months, is entitled to the rights provided under the federal Family and Medical Leave Act of 1993 (FMLA). Under the FMLA qualified employees are entitled to up to 12 weeks (60 working days) of paid or unpaid leave (depending on collective bargaining agreements or employment contracts) for certain specified medical situations, either personal or family and for certain child-care or adoption situations.

How 12 Months Is Counted. The North Adams Public Schools counts the annual 12-month period of entitlement as starting when the specific employee is absent for a reason recognized as giving rise to leave under the FMLA.

Documentation. The Superintendent may require the employee to submit documentation sufficient to demonstrate eligibility for Parental leave.

Use of Paid Leave. An employee who has accrued sick leave may use his/her leave during Parental Leave, provided that sick leave may only be used if a physician has certified the medical necessity for the leave time.

An employee who complies with the requirements for Parental Leave will be restored to his/her previous or a similar position with the same status, pay, length of service credit and seniority, whenever applicable, as of the date his/her leave began. The period of Parental Leave will not count toward length of service or seniority.

PART VII. General Employment Issues

§ 1. Basic Work Expectations of Employees

Each person who is employed by the North Adams Public Schools has been hired in order to enable the school system to meet its obligations under Massachusetts and United States law, and to adhere to the school district's mission set forth in I § 1, above. Every employee furthers that objective either by providing direct services to students or by working in support of direct instruction and related programs that benefit children and young people.

The appointing authority (see II § 1, above) has certain basic expectations of each North Adams Public Schools employee. Those expectations are that each employee:

- Attend work regularly and punctually unless excused due to emergency, illness, or previously approved absence;
- Show respect to other employees, students, and members of the public;
- Take due care with all property of the North Adams Public Schools;
- Be honest and forthright in reporting absences from work, handling or accounting for school district funds, and making claims either for payment for services or for reimbursement from the North Adams Public Schools;
- Adhere strictly to the established rules, policies, and procedures of the North Adams School Committee and the Superintendent of Schools;
- Exercise reasonable judgment, and therefore behave sensibly, in interacting with other employees, supervisors and administrators, students, and the public;
- Take direction respectfully and promptly from her/his supervisor;
- Implement her/his supervisor's directives promptly, thoroughly, and to the best of that employee's ability; and
- Otherwise perform to the best of her/his ability all the duties associated with that employee's specific position in the North Adams Public Schools.
- There is to be no use of cell phones, or other electronic devices, for personal reasons during normal work hours.

§ 2. Employee Ethics

The North Adams School Committee has established the following Code of Ethics for employees of the North Adams Public Schools (Policy GBEA). Each employee shall:

- Maintain just and courteous relationships with students, parents, staff members, and others;
- Maintain her/his efficiency and knowledge of developments in their fields of work;
- Transact all official business with the properly designated authorities of the school system;
- Place the welfare of children as the first concern of the school system, which will require that appointments to positions and promotions be based solely on merit. The use of pressure on school officials for appointment or promotion is unethical;
- Refrain from using school contacts and privileges to promote partisan politics, sectarian religious views, or selfish propaganda of any kind;
- Direct any criticism of other staff members or any department of the school system toward the improvement of the school system. Such constructive criticism is to be made directly to the particular school administrator who has the administrative authority to improve the situation and then to the Superintendent if necessary;
- Use properly and protect all school properties, equipment, and materials.

§ 3. Employee Work Hours

The work hours for North Adams Public Schools employees are determined by collective bargaining agreements or, where applicable, by individual contracts of employment. If an employee has a question about her/his own specific work hours, either regularly or in an unusual situation, then that employee should contact her/his immediate supervisor. If the issue has to do with the interpretation of a provision of a collective bargaining agreement then the individual with the question should contact their union representative. If the individual is not part of a collective bargaining agreement she/he should contact the Superintendent of Schools.

§ 4. No Overtime Without Express Prior Authorization

A. “Overtime” (OT) Defined. “Overtime” (OT) is defined as either (a) a non-exempt employee working beyond the employee’s regular workday, so that the employee has a reasonable expectation of receiving additional compensation for the time that she/he is putting in; or, (b) pursuant to the federal Fair Labor Standards Act, a non-exempt employee working in excess of 40 hours in any seven day payroll period, so that work done is entitled to payment at 150% of the employee’s regular compensation.

If you need to leave the building, for any period of time during normal work hours, you must obtain permission from your principal or direct supervisor and you may be required to sign in and out of the building.

B. Prohibition of Overtime Without Prior Authorization. Except in an emergency as described below (see VI § 4.C, below) no employee of the North Adams Public Schools may consider her/himself authorized to work overtime without prior administrative authorization.

C. Exception to Prohibition of OT Without Prior Authorization. Only in an emergency may an employee who would be entitled to overtime pay for additional work presume the approval of overtime in the following situation. An emergency exists when there is a plausible threat to personal safety or valuable property, and where in this situation the employee is unable to bring what is happening to the immediate attention of her/his superior, and therefore secure approval for overtime needed to deal with the situation. (Examples of an emergency include: fire; flood; an intruder in the building.) When there is an emergency the employee is authorized to remain at work to deal with the situation appropriately. In such a case the employee who is entitled to overtime shall bring the situation to her/his supervisor’s attention as soon as possible.

D. Compensatory (“Comp”) Time. Except as described in the following paragraph, no North Adams Public Schools employee shall be entitled to compensatory (“comp”) time. Certain collective bargaining agreements or individual contracts with non-bargaining unit employees contain provisions for receipt of “comp” time in the event that OT of the sort described at VI § 4.A.a, above, is incurred. No “comp” time may be incurred unless the conditions set forth in the collective bargaining agreement or individual contract of employment are strictly observed. Among those conditions is the requirement that entitlement to “comp” time may be incurred only with prior authorization of the supervisor identified in the agreement or contract. No entitlement to “comp” time may be incurred, and no right to “comp” time may be claimed, under any other condition.

§ 5. Criminal Offender Records Investigation (CORI) Checks

Under Massachusetts law no person may be employed by, or may work as a volunteer, in any capacity with the North Adams Public Schools that involves unsupervised access to students while on school premises or while participating or assisting in school-sponsored programs or activities, without satisfactorily completing a Criminal Offender Records Information (CORI) check. Because of the requirement imposed by state law on School Committees and Superintendents to secure CORI checks on all employees, an employee’s refusal to authorize the Superintendent to file a request for a CORI check may be deemed to be a most serious disciplinary issue, possibly resulting in termination of employment.

Information that is received through a CORI check must by law be held in strictest confidence. Such information may be shared only as authorized by the individual on whom the check was done or as otherwise provided by law. See M.G.L. c. 6 §§ 167-178B.

§ 6. National Criminal Background Check

Governor Patrick signed Chapter 459 of the Acts of 2012, “An Act Relative to Background Checks.” <http://www.malegislature.gov/Laws/SessionLaws/Acts/2012/Chapter459> This law expands what public, private, and parochial schools, including approved private special education schools and child care facilities, already do in conducting state CORI checks on all employees at least once every three years. It creates a national criminal database check for all school employees and contractor employees. All **newly hired** school employees, including educators, maintenance staff, cafeteria workers, bus drivers, and employees of contractors who work in the schools and may have direct and unmonitored contact with children are currently required to complete the new national background check. Volunteers at schools will continue to be required to submit to state CORI checks at least once every three years, as currently required by statute, but will not be required to submit fingerprints for the national checks.

Unlike state CORI checks that have no associated fee, individuals will pay a fee to comply with this requirement that ranges from up to \$35 for non-licensed employees to up to \$55 for license-holders. The Executive Office of Public Safety and Security (EOPPS) will design the system to meet this new national background check requirement. For more information please refer to

§ 7. Employee Work Assignments

Each employee of the North Adams Public Schools shall receive her/his specific work assignment from her/his supervisor. If an employee is uncertain about her/his work assignment, work location, or the duties associated with her/his position or work assignment, then it is the employee’s responsibility to promptly seek clarification of the matter in question from his/her supervisor. School hours are 7:45 a.m. to 2:20 p.m. at Drury High School and 8:25 a.m. to 2:55 p.m. at the elementary schools.

§ 8. Employees Working Other than for the North Adams Public Schools

When a person is employed by the North Adams Public Schools on a regular, full-time basis, then the School Committee considers that it has given that person full-time employment. Therefore, the School Committee expects all employees to give the responsibilities of their district positions precedence over any types of outside work.

Outside work done by a staff member is of concern to the Committee insofar as it may: (1) prevent the employee from performing her/his school responsibilities in an effective manner; (2) prejudice the employee’s effectiveness in her/his position, or compromise or embarrass the school system; or (3) raise a question of a conflict of interest, e.g., when the employee’s position in the district gives her/him access to information or another advantage useful to the outside employer.

Therefore, if a North Adams Public Schools employee is also employed elsewhere, that employee shall ensure that: (1) she/he does not perform any duties related to an outside job during that employee’s regular working hours for the North Adams Public Schools, or during the additional time that the employee needs to fulfill the responsibilities of her/his school position; and (2) she/he will not use any North Adams Public Schools facilities, equipment, or materials in performing outside work.

§ 9. Posting Notices of Employee Rights

A posting of the employment-related rights that North Adams Public Schools employees have under various Massachusetts and federal statutes can be found in each school or other facility of the North Adams Public Schools. This information is posted either in the faculty room, the main office of each school or facility, or another conspicuous place. In the event that you do not find this information posted, please promptly notify the Central Office, 37 Main Street, Suite 200, North Adams, MA 01247, phone (413) 776-1458.

§ 10. Availability of Copies of Collective Bargaining Agreements

The following North Adams Public Schools' employees are employed under collective bargaining agreements: Teachers, Cafeteria Managers, Cafeteria Workers, Custodian and Maintenance Workers, Paraprofessionals and Teacher Assistants. Copies of collective bargaining agreements are available from the president of each union.

PART VIII. Work Related Illness or Injury

§ 1. Seeking Medical Attention For Work-Related Injuries Or Health Problems

A. Seeking Medical Attention Generally. An employee of the North Adams Public Schools who is injured in the course of her/his employment, or who seeks care for a work-related medical condition, must first contact their immediate supervisor and seek medical attention by reporting to Berkshire Occupational Health & Wellness (BOHW). Except when an employee's condition requires immediate attention due to the fact that it is a medical emergency or occurs during off hours (see VII § 1.B, below).

In reporting to BOHW an employee should identify her/himself as an employee of the North Adams Public Schools. The location of BOHW is:

Berkshire Occupational Health & Wellness
610 North Street
Pittsfield, MA 01201
(413) 447-2684

B. Seeking Medical Attention in an Emergency or During Off Hours. In the event that an employee suffers a medical emergency at work, or an employee has a work-related medical problem during off-hours (e.g., weekend shift, late shift), that employee should seek care at Northern Berkshire Campus of BMC (former North Adams Regional Hospital). For the purpose of this section, a medical emergency is a situation in which the employee's condition is serious and requires immediate medical attention.

§ 2. Reporting Work-Related Illness or Injury

A. Filing a Written Report of Work-Related Injury or Health Problem. A workplace injury, or an injury or health concern that an employee believes to be work-related, should be reported in writing not later than 48 hours after the occurrence or discovery of the injury or health concern. Forms for reporting work-related injuries or health concerns are available from the secretary at the employee's work assignment. The completed form should be returned to the secretary at the employee's work assignment who will fax them to the Central Office. See VII § 2.B, below.

B. Consequences of Failing to Comply with 48 Hour Reporting Requirement. An employee who fails to comply with the 48 hour reporting requirement for a workplace injury or any injury or health concern that an employee believes to be work-related may jeopardize her/his ability to recover costs associated with seeking medical treatment for that injury or condition. In addition, an employee who fails to comply with the 48 hour reporting requirement may jeopardize her/his ability to qualify for workers' compensation benefits (see VII § 3.B, below).

§ 3. Worker's Compensation

A. General Information. Worker's compensation benefits provide paid leave, after an initial period of five (5) unpaid days, to any employee who is injured on the job or who must be absent from work for medical reasons associated with her/his employment by the North Adams Public Schools. The employee receives a reduced rate of pay in accordance with Massachusetts law. In some cases, where provided by collective bargaining agreement, an employee's rate of pay while she/he is absent with a work-related medical problem may be supplemented by available accumulated paid sick leave, so that the employee sees no reduction in her/his compensation so long as accumulated paid sick leave is available. An employee's comprehensive health insurance coverage continues while she/he is on workers' compensation, assuming that the employee has health insurance through her/his employment with the North Adams Public Schools, so long as that employee has available sick leave to use to supplement her/his workers' compensation benefits. After the exhaustion of the employee's paid sick leave, the

employee may continue her/his health insurance coverage as an employee of the City of North Adams under COBRA. (See IX § 10, below).

B. Forty-Eight Hour Reporting Requirement. Work-related injury or sickness claims should be made as soon as possible, but not later than 48 hours after discovery of the condition or the occurrence of the injury. (See VII § 2.A, above.)

C. Relation of Worker's Compensation Absences and the FMLA. Time when an employee is absent on a worker's compensation-related illness or injury is chargeable to time that may be available to the employee under the Family and Medical Leave Act of 1993 (FMLA) (see V § 2.B, above).

PART IX. Workplace Rules

§ 1. Workplace Conduct

Each employee of the North Adams Public Schools shall behave herself/himself at work in a manner that furthers the mission of the school district and the goals of the Superintendent of Schools. Therefore, each employee should act in a manner that a reasonable person would view as appropriate to the employee's role as a model to children and young people and a public servant. This includes, but is not limited to: using appropriate language at work; working efficiently and conscientiously; addressing other staff, students, and the public respectfully; and promptly and courteously following the directions of the employee's supervisor(s) and superior(s).

§ 2. Respect for the Public

Each employee of the North Adams Public Schools is a public employee, which means that her/his benefits and compensation are provided by the citizens of the community through the school system and the City of North Adams, and by other sources of public funding. Moreover, each person working for the North Adams Public Schools is employed solely in order to enable the school system to pursue the mission of the North Adams Public Schools.

Therefore, each employee shall act at all times in a manner that shows due respect for the public. Each employee shall act at all times in a manner that enables members of the public, including parents, guardians, and interested citizens, to receive pertinent information which they are entitled to, as well as necessary assistance in dealing with the various offices and departments of the North Adams Public Schools.

§ 3. Respect for Fellow Employees

Each employee of the North Adams Public Schools shall act at all times in a manner that shows respect for the dignity and personal worth of each fellow employee.

§ 4. Respect for Students

Each person working for the North Adams Public Schools is employed solely in order to enable the school system to pursue the mission set forth in I § 1, above. That mission centers on the effective provision of educational services to students. Every person employed by the North Adams Public Schools is a role model for the district's students. Therefore, every school system employee is to show proper respect to students as individuals and as impressionable children or young people in all of her/his interactions with students.

§ 5. Confidentiality of Information Learned Through Employment

Each employee of the North Adams Public Schools receives information as part of her/his position that is confidential. Information on students, on other employees, on members of the public, including parents and guardians, and on school-related matters is part of the school system work environment. The security and confidentiality of such information is protected by a variety of federal and state laws and by North Adams School Committee policy.

Parents and guardians have the right to inspect and receive copies of their children's records, but there are established procedures for their receiving this information (see 20 U.S.C. 1232f; see also M.G.L. c. 71 § 34D; and see 603 C.M.R. 23.07). The public has the right of access to the public records of the North Adams Public Schools under the Massachusetts freedom of information law (M.G.L. c. 66 § 10). Courts acting within the scope of their authority may order the release or disclosure of public and even personal information however employees may not act on their own initiative to violate any person's confidentiality or to disclose student or employee information or public records or information of any sort that they are not authorized to disclose. Therefore, it is strictly prohibited for any employee to discuss, release, or disclose any such information to any individual,

organization, or agency without the express prior approval of that employee's supervisor. Any employee who makes an unauthorized disclosure of confidential or protected information may be subject to discipline, up to and including termination. If an employee is deemed to have acted outside the scope of her/his authority in releasing information without due authorization, that employee may not be covered by the indemnification provisions of Massachusetts law (see M.G.L. c. 258; the North Adams Public Schools) and may be personally liable to any party who is aggrieved by that release or disclosure.

§ 6. Weapons and Dangerous Devices Prohibited

It is strictly prohibited for a North Adams Public Schools employee to possess or use any weapon, including but not restricted to a gun, knife, blade, or club, in a school building, on school grounds, or at any school-sponsored activity. It also is strictly prohibited for a North Adams Public Schools employee to possess or use any other dangerous implement, such as an explosive or incendiary device, or any implement or object not ordinarily in the possession of a school employee, that can reasonably be foreseen to have a use in harming another person, in any school building, or on school grounds. Any use of a weapon or object used as a weapon to cause harm to another person will be reported to law enforcement and will be subject to disciplinary action up to and including termination from employment.

§ 7. Smoking and Other Tobacco Use Prohibited

Smoking or other use of tobacco or tobacco related products, including vaping devices and e-cigarettes in a school building or on school grounds is a violation of Massachusetts Law (M.G.L. c. 71 § 37H) and School Committee policy (GBED), and is strictly prohibited. An employee's violation of this prohibition may result in disciplinary action, up to and including termination.

§ 8. Workplace Apparel

Each person employed by the North Adams Public Schools has been hired to further the education of the children and young people of North Adams in conformity with the mission of the North Adams Public Schools. School employees do their work properly either by providing direct services to students or by performing tasks or functions that support direct instruction and related programs.

Each person employed by the North Adams Public Schools works in a public school setting. Consequently, even if an employee's direct contact with students is infrequent and incidental, that person serves as a role model for the children and young people who attend the North Adams Public Schools. Moreover, every school system employee represents the North Adams Public Schools to the public.

In light of these facts, each North Adams Public Schools employee should dress for her/his work assignment in a manner that properly acknowledges that he/she is serving as a role model for children and young people and as a public employee working at the public's business. Although the North Adams Public Schools currently has no formally adopted dress code for its personnel, employee apparel should nonetheless reflect the individual's role as a model to children and young people and as a representative to the public.

Employee apparel should in all cases be consistent with the safety requirements of the employee's position.

§ 9. Computer, E-Mail, and Internet Use

Every employee who has access to a North Adams Public Schools computer or computer terminal, with or without Internet or e-mail access, is provided with that equipment in order to perform her/his North Adams Public Schools duties and functions more effectively. Use of a computer at work is not an employee's right. The computer is a tool provided by the school system solely to facilitate the employee's delivery of a public service.

According to School Committee policy (IJNDB), except for conducting the business of the North Adams Public Schools, no use of a school district computer, of school district software, of the North Adams Public Schools' e-mail system, or of Internet access through the school district's equipment is permitted.

In addition, no employee may access a pornographic or otherwise inappropriate website, use the district's e-mail for purposes other than to conduct North Adams Public Schools business, or otherwise utilize the district's hardware or software in a manner not expressly authorized by the School Committee.

Violation of any of these prohibitions may lead to the employee's loss of her/his computer privileges, and may also result in disciplinary action, up to and including termination. Furthermore, where a criminal violation is deemed likely to have occurred the matter will be referred to appropriate law enforcement authorities.

Disclaimer Regarding Use of North Adams Public Schools Hardware, Software, or Network

The North Adams Public Schools makes no express or implied warranties for the computer, network, or Internet access it provides. The North Adams Public Schools cannot completely eliminate access to information that is offensive or illegal and resides on networks outside the North Adams Public Schools' system. The accuracy or quality of information obtained cannot be guaranteed. The North Adams Public Schools will not guarantee the availability of access to individual computers, the district network, or the Internet, and will not be responsible for any information that may be lost, damaged, or unavailable due to technical or other difficulties.

§ 10. Drug-Free Workplace

A. Drug-Free Workplace. By School Committee policy (GBEC) the North Adams Public Schools is a drug-free workplace. Therefore, it is strictly prohibited for any North Adams Public Schools employee to possess or use any illegal drug or any unauthorized controlled substance on school grounds or at any school system activity, program, or function.

B. Disciplinary Action and Law Enforcement Involvement. An employee who violates the prohibition of possession or use of illegal drugs or unauthorized controlled substances may be subject to disciplinary action, up to and including termination. Illegal drug possession or drug use by an employee may also be reported to appropriate law enforcement authorities.

§ 11. Inappropriate Use of Inter-Office Mail Prohibited

The North Adams Public Schools' interoffice mail service is intended to further the educational and ancillary support activities of the school system. Use of the interoffice mail is restricted to activities and materials appropriate to the furtherance of those purposes.

Therefore, except where expressly provided by collective bargaining agreement or where expressly permitted by the Superintendent of Schools or her/his designee, no employee may use the interoffice mail system for personal or other non-business purposes. Specifically, it shall be prohibited for an employee to use interoffice mail, or to facilitate its use, for: business solicitations; political advertisements, notices, or flyers; commercial advertising; chain letters; sexually explicit or otherwise vulgar or offensive material; the conduct of gambling or wagering of any sort; or any other matter that does not pertain to the mission of the North Adams Public Schools. The foregoing list is not intended to be exhaustive. An employee's failure to comply with this prohibition may result in disciplinary action, up to and including termination.

§ 12. Political Activities by Employees

The School Committee recognizes that public employees have the right to free speech, freedom of assembly, and all other rights guaranteed by the First Amendment of the United States Constitution. The Committee encourages them to exercise those rights in a time, place, and manner that is appropriate (see policy GBI).

A North Adams Public Schools employee's use of her/his work time, work area, or work materials or equipment to promote a political candidate, party, or cause, is not allowed. Neither is it an appropriate use of a school employee's work time, work area, or work materials to attempt to influence students in support of a political candidate, party, or cause. It is not prohibited to discuss political candidates, parties, or causes in an appropriate manner, depending on the age and understanding of students, as a part of a program of study in social studies, or in another pertinent curricular area.

§ 13. Violation of Copyright Law Prohibited

Except as may be permitted under United States law, the North Adams Public Schools strictly prohibits the use of its facilities, equipment, or the work time of persons whom the school system employs for copying or reproduction of documents, including published books and pamphlets, computer software, compact discs, tapes, or any other materials or items that have been duly copyrighted in accordance with United States law and international treaty.

Failure to observe this prohibition may result in disciplinary action, up to and including termination. Violation of copyright law may also subject the violator to criminal or civil penalties.

Questions regarding compliance with copyright law may be referred to the Superintendent.

§ 14. Acceptance of Gifts from Students by Employees

Children and parents sometimes want to give gifts to a teacher, principal, or other staff member as a token of gratitude or appreciation for the work the staff member is doing. Nevertheless, acceptance of gifts under these circumstances may give the appearance to some of favoritism of one student or one group of students over another, and may in violation of State conflict in interest laws. Moreover, the acceptance of gifts may make gift-giving to staff members appear to be a routine feature of school life, thereby placing those with fewer financial resources at a real or perceived disadvantage. School Committee policy (GBEBC) discourages parents from providing staff members with gifts other than token gifts. Employees are expected to conduct themselves in a manner that supports the School Committee's policy.

§ 15. Application for Grants

No employee may apply for a grant in the name of the City of North Adams, the North Adams School Committee, the North Adams Public Schools, or any school, program, or activity of the North Adams Public Schools unless the Superintendent has been provided with the grant application or proposal at least 10 working days before it is submitted to the grantor. The Superintendent must approve and sign the application before it may be sent to the grantor.

If an employee receives notice that a grant has been awarded based on an application in the name of the City of North Adams, the North Adams School Committee, the North Adams Public Schools or any school, program, or activity of the North Adams Public Schools then the employee must immediately notify the Superintendent of this award. All funds received through any grant so applied for must be immediately forwarded to the Superintendent of the North Adams Public Schools.

B. Change in Coverage. The open period for employees to acquire health insurance or other benefits, or to change benefit coverage, occurs at various times depending on which benefit. Each year the practice has been for a written notice to be sent from the Office of the Mayor or the City Treasurer informing current employees of the rates of coverage and the procedure for acquiring or altering a benefit plan.

C. Thirty (30)-Day Open Window if Other Coverage is Lost. If an employee who was previously covered by another person's health insurance, and who had therefore declined North Adams coverage, loses her/his coverage then the employee may acquire municipal health insurance coverage, but only so long as that employee provides suitable written documentation of having lost her/his coverage not later than 30 days after losing the coverage.

For example, if an employee needs to add a dependent to her/his insurance because of birth or adoption, or marries and needs health insurance coverage for her/his new spouse, or loses her/his coverage on another person's insurance and needs to enroll in the City's health insurance coverage, this must be done immediately. These are considered "qualifying events" by the City, and such changes must be made within 30 days of the occurrence of the qualifying event. Documentation (birth certificate, certificate of adoption, marriage certificate, separation or divorce decree, notice from spouse's employer of loss of health coverage, etc.) is needed to make changes in benefits coverage.

§ 8. Pre-Tax Flexible Spending ("Cafeteria") Accounts

Pre-tax contributions may be made by North Adams Public Schools employees, consistent with 26 U.S.C. § 125, to flexible spending "cafeteria plan" accounts. The purpose of these accounts is to enable employees to pay out-of-pocket expenses associated with medical care, dental work, child-care costs, and any other expenses permitted under law with pre-tax dollars. Questions about pre-tax flexible spending accounts should be addressed to the Payroll Office, (413)-776-1458.

§ 9. Unemployment Benefits

Employees of the North Adams Public Schools, who lose their employment through termination under certain other circumstances set forth in law, may be entitled to unemployment insurance benefits under the terms and provisions of M.G.L. c. 151A. Information about an employee's entitlement to unemployment benefits, the application procedure for claiming benefits, or answers to specific questions about unemployment benefits can be obtained from the Massachusetts Division of Employment and Training (DET). The North Adams DET office dealing with unemployment insurance claims is located at Berkshire Works Career Center, 160 North Street, Pittsfield, MA 0120. The telephone number is (413) 499-2220.

§ 10. COBRA Rights

Benefits must cease upon the individual's failure to make timely payment of the amount owed for coverage under COBRA.

"Qualifying events" enumerated by COBRA include: termination of an employee for other than gross misconduct; a reduction in hours leading to loss of health insurance coverage; and the divorce or legal separation of the employee's spouse from the covered employee. This list is not exhaustive.

Questions about COBRA rights and benefits should be addressed to the Payroll Office.

(3) Any other employee, working less than 25 hours per week, including a non-certified teacher, is obliged to contribute to a tax-deferred annuity fund.

§ 12. Estimates of Accumulated Leave for Severance Pay

Some North Adams Public Schools employees' collective bargaining agreements or contractual employment agreements contain provisions for severance pay. This benefit is payable to eligible employees, according to the specific terms of the contract, based on an eligible employee's accumulation of unused sick leave.

Many employees want to know in advance of their retirement how many sick leave days they have accumulated so that they can estimate the severance payments they will receive. This information can be found on their bi-weekly paycheck. Employees are welcome to make an appointment with staff in the Payroll Office to examine their own attendance files and make their own estimates of severance pay based on the documentation found there.

§ 13. Employee Assistance Program

It is the responsibility of each employee to seek help before a condition has an adverse impact on his/her employment. The City of North Adams provides a no-cost Employee Assistance Program (EAP) through MIIA (Massachusetts Interlocal Insurance Association). The EAP entitles you and your household members to confidential counseling and assistance on personal or work-related issues such as family & marital problems, drug & alcohol abuse, stress management, financial difficulties, health problems and emotional stress.

§ 14. Holidays

Teachers and certain other salaried staff who work on a school calendar basis do not receive separate paid holidays. Full time (12 month) employees are eligible for paid holidays as specified in the various union contracts and letters of hire.

PART XI. Safety Issues

§ 1. Workplace Safety

The safety of students, staff, and the public is the foremost concern of the North Adams Public Schools. Employees should take all steps necessary to acquaint themselves with appropriate safety rules and procedures where they work, and to follow those procedures as required. In the absence of stated safety procedures, each employee should exercise reasonable care and concern for her/his safety and the safety of others in the conduct of her/his employment by the North Adams Public Schools.

Every employee should promptly report any physical, social, or other situation to her/his supervisor when the employee believes that the situation may pose a risk to the safety of staff members, students, or the public.

§ 2. Employee Identification

In order to improve assurance of the safety of students, staff, and the public, North Adams Public Schools employees may be required to wear an identification card or badge, or to produce such identification on demand. Any such card or badge issued to a North Adams Public Schools employee should be carried on the employee's person at any time she/he is in school or working in a school-sponsored function or activity, whether on or off school property.

Employee identification badges or cards are the property of the North Adams Public Schools. It is strictly prohibited for any person issued an I.D. card or badge by the North Adams Public Schools to loan that identification to any other person for any reason. It is also strictly prohibited for any employee of the North Adams Public Schools to reproduce a school system I.D. card or badge by any means or for any purpose unless such reproduction is expressly authorized in advance by the Superintendent of Schools or her/his designee.

§ 3. School and Workplace Emergency Procedures

Emergency response plans exist for each North Adams Public Schools facility, including schools and offices. These plans are intended to facilitate the district's dealing effectively and immediately when there is a natural or other emergency, including a school having an intruder, a bomb threat, or comparable man-made risk, whenever the situation poses a serious threat to the safety of students, staff, school visitors, or school property.

Each employee is expected to familiarize herself/himself with the emergency procedures in place for where she/he works, so that the employee's personal safety, as well as the safety of students and co-workers, can be better ensured. Information on the specific emergency procedures in place for your school or workplace is available from the school's principal or your worksite supervisor.

§ 4. Mandated Reporting of Suspected Child Abuse or Neglect

Under Massachusetts law (M.G.L. c. 119 § 51A) certain individuals, including those employed in a public school "to care for or work with a child," are deemed "mandated reporters." Mandated reporters are required under penalty of law to report orally and in writing to the Commonwealth's Department of Children and Families (DCF) any instance of what the school employee, in her/his professional judgment, believes to be an instance of child abuse, including sexual abuse, or neglect. A fine of not more than \$1,000 may be imposed by the Commonwealth on a mandated reporter who fails to make the necessary report to DCF, and failure to report may lead to disciplinary action, up to and including termination of employment. Employees must complete and submit a *Report of Child(ren) Alleged to be Suffering from Serious Physical or Emotional Injury by Abuse or Neglect* form (51A form) to DCF with a copy of the form also submitted to the Superintendent of Schools.

Under § 51A a school employee who believes that a child is abused or neglected can satisfy her/his legal obligation to make a DCF report by reporting the concern at once to the person in charge of the school where the employee works. Therefore, any North Adams Public Schools employee who believes that a student in one of the district's schools or programs is or may be the victim of abuse or neglect should immediately report that concern to the principal or program supervisor under whose direction that employee works.

The telephone number to call when reporting suspected child abuse and neglect is 1-800-292-5022.

§ 5. Reporting Suspicious Persons, Activities, or Objects

Any North Adams Public Schools employee who observes a suspicious person or group of persons on or near school premises or a school-sponsored activity should immediately notify the employee's supervisor, and should provide as much specific information about what was observed as possible. A "suspicious person" is someone who either is known or is not known to the school employee, and whose mere physical presence at or near a school premises or school-sponsored activity, whose conduct or demeanor, or whose reputation or record gives rise to the employee's suspicion that the person observed may do harm to students, staff, the public, or school property.

Activities by suspicious persons, or activities by any person or group of persons that raises an employee's suspicion because the activity appears likely to cause harm or injury to students, staff, the public, or school property should similarly be reported.

A North Adams Public School employee who finds a suspicious object in or near a school or school-sponsored activity should immediately notify her/his supervisor, and should provide as much specific information about what was observed as possible. A "suspicious object" is any box, carton, bag, other container, implement, or any other object that is out of place in the school or at the school-sponsored activity, and that might be associated with injury to staff, students, or the public, or with damage to school property.

§ 6. Visitors to Buildings

All visitors to any school building must report to the office and obtain an identification badge. If you see someone in the building without a badge whom you do not recognize, contact the office at once.

§ 7. Use of Universal Precautions

Universal precautions should be used by any North Adams Public School employee who comes in contact with another person's bodily fluids, including blood, mucous, menstrual flow, or feces. "Universal precautions" are the employment of procedures, including the use of latex or comparable gloves and disinfectants, meant to limit or eliminate the risk of contagion from pathogens borne in the human body.

Specific information about the availability or location of equipment and supplies needed to follow universal precautions can be obtained from the building principal, the employee's supervisor, or the school nurse. Specific questions about the procedures to follow when using universal precautions can be answered by the school nurse.

§ 8. Bloodborne Pathogens and Hepatitis B Vaccination

North Adams Public Schools employees whose positions expose them routinely to human blood or bodily fluids (see XI § 7, above) may be at risk of exposure to bloodborne pathogens, including hepatitis B virus. Those who fall into this category have the right to be vaccinated with hepatitis B vaccine at no charge.

In the event that an exposure incident occurs, in addition to adhering to the universal precautions described in

XI § 7, above, including immediately washing the affected area with warm water and soap, an incident report should be filed and the procedures described in VIII §1 and 2, above, should be followed in order to secure immediate medical attention.

Questions concerning an employee's rights when a possible exposure to bloodborne pathogens occurs should be directed to the Central Office.

§ 9. Hazardous Materials

From time to time some North Adams Public Schools employees may handle materials that are hazardous. A material is considered a "health hazard" if it can cause illness or injury. A material is considered a "physical hazard" if it ignites and easily burns, has a potential to explode, or could cause a violent chemical reaction.

All containers in the workplace must be labeled with information about what they are and how dangerous they are to human beings. The label must contain (a) the name of the chemical, (b) the hazards of the chemical, and (c) the name and address of the manufacturer. Container labels may also contain other information, such as emergency telephone numbers, hazard symbols, first aid instructions, and other useful information.

Material safety data sheets (MSDS) must be available in every work location. Information that is required on an MSDS includes: (a) manufacturer information; (b) hazardous ingredients, by chemical name, percentage by weight or volume, and exposure limits; (c) physical characteristics; (d) potential for fire or explosion; (e) reactivity information, including product stability & materials to avoid in mixing the material, when there is spillage, or when the material is stored; (f) health and physical hazard information; (g) spill, disposal, handling, and storage information; and (h) personal protective equipment, which covers mandatory protective equipment along with the engineering controls needed to assure safe working conditions.

Workplace safety – specifically, the safety of staff, students, and the community – is of paramount concern to the School Committee, the Superintendent, and all school system personnel. If an employee becomes aware of any violation of any workplace safety issue regarding hazardous materials, or if an employee believes that any of her/his rights under the Massachusetts Right-to-Know law (M.G.L. c. 11F § 15; 105 CM.R. 670.00), then she/he should immediately contact the Central Office.

§ 10. Personal Use of Pesticides by Employees Prohibited

The use of pesticides on school property is strictly controlled by law (see M.G.L. c. 132B). The North Adams Public Schools has adopted a pest management plan for controlling pests on school district premises. The plan is available in the office of every North Adams Public School. Unless authorized under the North Adams Public Schools' pest management plan, possession of pesticidal materials in any form and from any source, and the use of pesticidal materials by any staff member, is strictly prohibited.

Because possession and use of unauthorized pesticidal materials on school property is strictly prohibited, harm that is suffered by any party as a result of unauthorized use of chemical pesticides or other pest control products may create personal liability for the user/staff member in case of suit by an injured party.

Pest problems any employee may encounter at work should be reported immediately to the school's principal or program director.

PART XII. Interaction with Students & Student Rights

§ 1. Respect for Students

Each person working for the North Adams Public Schools is employed solely in order to enable the school system to pursue the mission set forth in I § 1, above. That mission centers on the effective provision of educational services to students.

Every person employed by the North Adams Public Schools is a role model for the district's students. Therefore, every school system employee is to show proper respect to students as individuals and as impressionable children or young people in all of her/his interactions with students.

§ 2. Mandated Reporting of Suspected Child Abuse or Neglect

Please refer to Part XI § 4. Mandated Reporting of Suspected Child Abuse or Neglect

§ 3. Corporal Punishment Prohibited

Corporal punishment in a public school is prohibited by law in the Commonwealth of Massachusetts (M.G.L. c. 71 § 37G). This prohibition applies to all North Adams Public Schools employees. Corporal punishment is the use of physical force to punish a student. The use of corporal punishment is a serious matter. An employee who violates the prohibition of the use of corporal punishment may be subject to disciplinary action, up to and including termination. Depending on the circumstances, a report of the use of physical force may also be filed by school personnel with the Massachusetts Department of Children and Families under the mandated reporter requirements imposed on school and other personnel (see M.G.L. c. 51A). In addition, where a criminal violation is deemed likely to have occurred, the matter will be referred to appropriate law enforcement authorities.

§ 4. Physical Restraints of Students

The physical restraint of students is governed by Massachusetts law (M.G.L. c. 71 § 37G[c] and regulations of the Massachusetts Board of Education (603 C.M.R. 46.00). Restraint of students by application of physical force should be a last resort for any staff member. Physical restraint shall be used only when needed to protect a student or students, or a member or members of the school community, or both, from immediate and serious physical harm. When it is determined that physical restraint of a student is required all reasonable steps will be taken to prevent or minimize any harm to the student whom it is determined should be restrained.

Except where it is necessary to use reasonable force to protect pupils, other persons, and the staff member herself/himself from an assault by a pupil, and no person who has received physical restraint training is available, the physical restraint of a student will be the responsibility of, and shall be limited to, persons who have received such training.

The use of chemical restraint (administration of medication), mechanical restraint (use of a physical device to restrict the movement of a student), or seclusion restraint (physical confinement alone in a room or a limited space without access to school staff) is strictly prohibited.

Physical restraint as a form of punishment is a violation of Massachusetts law and is strictly prohibited (M.G.L. c. 71 § 37G[a]; see also XII. §3, above).

Information about persons in your school who are trained to administer physical restraint to students is available from the building principal. The North Adams Public Schools offers training to staff members in the appropriate use of physical restraint, as well as in nonphysical means for managing student behavior problems.

§ 5. Reporting Physical Restraints of Students

The school nurse should immediately examine every student who has been physically restrained. A written report will be sent to the parents/guardians within three (3) school days by an email provided to the school by the parent/guardian or postmarked within three (3) school days by regular mail. If the parent/guardian receives school-related information in a language other than English, the written report shall be provided in such non-English language. The student and parents/guardians shall have the right to respond to the use of physical restraint as well as the content of the report verbally or in writing. All injury reports and annual data concerning the use of physical restraint shall be submitted to the Department of Elementary and Secondary Education in a manner and form directed by the Department.

§ 6. Assault of Staff Member by a Student

Any staff member who is assaulted by a student should promptly report the assault to the building principal, and also to the office of the Superintendent.

§ 7. Reporting Incidents of Sexual or Other Harassment of Students

Federal and state laws prohibit the harassment of students in an educational setting, either by staff members or other adults or by other students. Students are protected from harassment because of their race, color, sex, gender identity, religion, national origin, pregnancy and pregnancy-related conditions, sexual orientation (M.G.L. c. 76 § 5) or disability (20 U.S.C. § 794; see also Policy STU-3, “Equal Educational Opportunities”).

Harassment can occur in school, at school-sponsored activities away from school, or on a school-operated vehicle being used to transport students.

An employee who witnesses a student being harassed, or who otherwise believes that one or more students are being or have been harassed, should immediately report what she/he has witnessed or believes has occurred. The report should be made either to the building principal or to the Grievance Officer (see III § 9, above).

§ 8. Transporting Students in Private Vehicles

Except with the express prior consent of the Superintendent, no North Adams Public Schools employee, when acting in her/his capacity as an employee, may transport a student in the employee’s own vehicle to or from a school-sponsored activity (EEAG). This prohibition does not apply to a North Adams Public Schools employee who is a parent transporting her/his own child.

§ 9. Bullying Prevention and Intervention

The North Adams Public Schools expects all staff and students to model behavior consistent with our values. The school system is committed to providing all students with a safe learning environment that is free from the divisive impact of bullying and cyber bullying. The North Adams Public Schools’ goal is to eliminate bullying, cyber bullying and acts of aggression that are harmful to our students and our school system’s culture, and that impede the learning process.

The definition of “bullying” according to MGL c. 71 Section 370 is the repeated use by one or more students or by a member of a school staff including, but not limited to, an educator, administrator, school nurse, cafeteria worker, custodian, bus driver, athletic coach, advisor to an extracurricular activity or paraprofessional of a written, verbal or electronic expression or a physical act or gesture or any combination thereof, directed at a victim that:

(i) causes physical or emotional harm to the victim or damage to the victim's property; (ii) places the victim in reasonable fear of harm to himself or of damage to his property; (iii) creates a hostile environment at school for the victim; (iv) infringes on the rights of the victim at school; or (v) materially and substantially disrupts the education process or the orderly operation of a school.

To support efforts to respond promptly and effectively to bullying and retaliation, the North Adams Public Schools have policies and procedures in place for receiving and responding to reports of bullying or retaliation. These policies and procedures ensure that members of the school community – students, parents, and staff – know what will happen and what actions will be taken when incidents of bullying occur. http://www.napsk12.org/apps/pages/index.jsp?uREC_ID=276931&type=d&pREC_ID=651525

PART XIII. Use and Care of School District Property

§ 1. Unauthorized Use of School District Property Prohibited

All property that is owned by, leased by, or otherwise in the possession of the North Adams Public Schools is public property and is not to be used for private purposes. No employee may use any building, grounds, vehicle, item, good, article, piece of equipment, or other property of the North Adams Public Schools except for the purposes for which that property was acquired. Use of North Adams Public Schools property by an employee for any other purpose without prior authorization of the Superintendent of Schools or her/his designee is strictly prohibited. Any such unauthorized use of school property of any sort may subject the employee who does so to disciplinary action, up to and including termination. In the event that circumstances warrant, a report of the employee's conduct may be made to law enforcement authorities for appropriate response.

§ 2. Use of North Adams Public Schools Telephones

Telephones are provided throughout the school system in order to promote the efficient and economical conduct of the business of the North Adams Public Schools. This equipment is not meant for employees' private use or for the conduct of commercial, personal, or other business unrelated to the public business of the North Adams Public Schools.

It is understood that on occasion an employee will find it necessary to make or receive a telephone call of a personal nature while at work. Nevertheless, except in such incidental and infrequent circumstances, it is prohibited to use telephone equipment located in school buildings or facilities for any purpose not related to the business of the North Adams Public Schools, without the express prior permission of the Superintendent or her/his designee.

§ 3. Use of Photocopiers or Facsimile (FAX) Machines

Photocopying equipment and facsimile transmission (fax) machines are provided throughout the school system in order to promote the efficient and economical conduct of the business of the North Adams Public Schools. These machines and equipment are not meant for employee use for personal copying or faxing, nor are they meant for use in producing, duplicating, or distributing commercial materials or notices, or for any other purpose except the business of the North Adams Public Schools.

It is prohibited for any North Adams Public Schools employee to use photocopying equipment or fax machines for any use that is not related to the business of the North Adams Public Schools without the express prior permission of the Superintendent of Schools or her/his designee.

§ 4. Use of North Adams Public Schools Official Stationary

Official stationary of the North Adams Public Schools is intended for the use of school employees in the conduct of official school business. Official school stationary may not be used by any employee for personal, commercial, or any other purpose that is not directly related to the mission of the North Adams Public Schools.

§ 5. No Assurance of Privacy When Using School System E-Mail

No employee should have any expectation whatsoever of privacy in her/his use of a North Adams Public Schools computer, of electronic mail (e-mail) access provided by the North Adams Public Schools, or of any software or Internet access provided by or through the North Adams Public Schools. Any e-mail sent from or received at a North Adams Public Schools network address, or that is accessed on a school computer, or other use of a North Adams Public Schools computer, is subject to scrutiny by the Superintendent of Schools or her/his designee, and to review for its appropriateness. Any inappropriate use of school system e-mail or other computer access or facilities may subject the employee who does so to disciplinary action, up to and including termination.

§ 6. Building Keys and Room Keys

A. School Keys Are Property of School System. Building and room keys to school system property and facilities are provided to school personnel solely for the benefit of the educational and other legitimate activities of the North Adams Public Schools. Such keys are the property of the North Adams Public Schools and the City of North Adams. They are not the property of the individual whom they are provided to.

B. Unauthorized Possession or Copying of Keys Prohibited. No person to whom such keys are duly issued may loan them to any other person without express prior approval of the Superintendent of Schools or her/his designee. No person to whom such keys are duly issued may copy or facilitate the copying of keys to any North Adams Public Schools building or facility, or room or rooms within such a building or facility, for any reason without express prior approval of the Superintendent or her/his designee.

C. Surrender of Keys on Demand.

(i) Authorized Keys. Any and all keys provided to school system facilities and property that are provided to North Adams Public Schools employees shall be surrendered immediately upon the request or demand of the Superintendent, the Superintendent's designee, the principal of the building to which the keys provide access, or, for any custodial employee, the Director of Facilities.

(ii) Unauthorized Keys. Any employee who is in possession of one or more keys to a North Adams Public Schools building, or rooms within a school building, which have been copied without authorization, or the possession of which by that employee is unauthorized, shall immediately turn all such keys over to her/his supervisor or to the Superintendent.

D. Consequences of Disregard of These Rules. Unauthorized possession by a North Adams Public Schools employee of keys to school buildings and rooms, and failure by an employee to surrender unauthorized keys, shall be deemed an insubordinate act. As such, it may be subject to disciplinary action, up to and including termination. Failure to surrender keys upon demand may be deemed an insubordinate act, and may be subject to disciplinary action, up to and including termination. Possession of unauthorized keys may also be deemed a criminal act under certain circumstances, and may be reported to appropriate authorities.

§ 7. North Adams Public Schools Vehicle Keys

The rules that are set forth in XIII § 6, above, regarding building and facility keys, including the consequences for disregarding those rules, are wholly applicable for keys to any motor vehicle that is owned by or that is in the possession of the North Adams Public Schools.

§ 8. Integrated Pest Management Plan Requirements

The North Adams Public Schools' integrated pest management plan, which was developed in accordance with Massachusetts law, is intended to control pests and vermin in school buildings and on school grounds in a manner that is at once effective and ensures the safety of students, staff, and members of the community, including the neighbors of North Adams Public Schools. Use of pesticide products, including those available over the counter, is strictly regulated by the policy in order to ensure that no student, staff member, or member of the community, including a neighbor of a North Adams Public Schools, comes into contact with any such substance without appropriate prior notice. It is therefore prohibited for any North Adams Public Schools employee to use any pesticide or chemical product intended for the control of pests or vermin that may be found in or in the vicinity of a North Adams Public School building, including any product that is available over the counter, without the express prior consent of the Superintendent of Schools or her/his designee. This prohibition has been established in order to ensure the school district's compliance with applicable Massachusetts law. Disregard of this

prohibition may be deemed insubordination, and may therefore subject the employee to disciplinary action, up to and including termination.

The Director of Facilities has been designated by the Superintendent as having the responsibility in the district for dealing with pest infestations or occurrences, and for compliance with district's integrated pest management plan.

§ 9. Failing to Close Fire Doors and Use of Door Wedges Prohibited

Fire doors are placed in school buildings in order to prevent the spread of fire, thereby saving lives and property. For fire doors to work as intended they must be closed. Therefore, it is prohibited for any employee to prop or keep open a fire door in any fashion. No fire door is to be open at any time except momentarily, to allow persons or materials to pass through the doorway.

The North Adams Public Schools incurs considerable expense annually by having to replace doors and door frames throughout the system that are damaged by students' and staff members' propping doors open with metal, wooden, or other types of wedges or items used as wedges. The use of any object to wedge open a door in a North Adams Public Schools facility is therefore prohibited.

§ 10. Employee Handbook

The North Adams Public Schools *Employee Handbook* that is provided to school district employees is the property of and shall remain the property of the North Adams Public Schools. Each North Adams Public Schools employee is expected to familiarize herself/himself with the contents of the Handbook upon receiving a copy.

PART XIV. Social Media

 - a. Teachers may not friend or follow current students on social media.
 - b. All electronic contacts with students should be through the district's computer and telephone system, except emergency situations.
 - c. Team, class, or student organization pages, accounts, or groups will be created only in conjunction with the coach or faculty advisor. All groups must include the appropriate administrator as a member. Access to the page will remain with the coach or faculty advisor.
 - d. All contact and messages by coaches and faculty advisors with team members shall be sent to all team members, except for messages concerning medical or academic privacy matters, in which case the messages will be copied to the appropriate administrator.
 - e. Teachers will not give out their private cell phone or home phone numbers without prior approval of the district.
 - f. Inappropriate contact via phone or electronic device is prohibited.
- 2) Inappropriateness of posting items with sexual content
- 3) Inappropriateness of posting items exhibiting or advocating use of drugs and alcohol
- 4) Examples of inappropriate behavior from other districts, as behavior to avoid
- 5) Monitoring and penalties for improper use of district computers and technology
- 6) The possibility of penalties, including dismissal from employment, for failure to exercise good judgment in on-line conduct.

The Superintendent or designees will periodically conduct internet searches to see if teachers have posted inappropriate materials on-line. When inappropriate use of computers and websites is discovered, the School Principals and Superintendent will promptly bring that inappropriate use to the attention of the staff member and may consider and apply disciplinary action up to and including termination.
