Dear Parent/Guardian of Math 1 Students,

NC Check-Ins are interim assessments developed by the North Carolina Department of Public Instruction (NCDPI) that are aligned to North Carolina grade-level content standards (for reading and mathematics) and North Carolina Essential Standards (for science).

The main purpose of NC Check-Ins is to provide students, teachers, and parents, with immediate in-depth action data and a reliable estimate of students' current performance on the selected subset of content standards. Both the end-of-grade (EOG) tests and the end-of course (EOC) tests share a common item bank with the NC Check-Ins, which then exposes NC Check-In students to similar item types and rigor found on the EOGs and EOCs.

The NC Check-In administration window dates are as follows:

Administration Windows	
Math 1 NC Check-In 1	September 23-26, 2019
Math 1 NC Check-In 2	November 4 – 8, 2019

Check- In 1 for Math 1 will be given on Tuesday, September 24, 2019. It will be administered during the Math 1 class 9:25-10:55.

If you have questions or concerns about the NC Check-Ins, please contact your child's teacher or school administrator.

Sincerely,

Dr. Deana Coley

Assistant Superintendent of Curriculum and Instruction
