

Valentines Day

Valentine's Day Celebration

Wednesday, February 13th, 10:30 – 12:30

10:30 Crafts will take place during the art class and all are welcome.

12:00 Please have your student bring in Valentine's for their friends or for the group!

Students bring in handmade Valentine's buckets to collect their cards. Only students who bring Valentines are allowed to participate in this portion of the event.

12:00 The Finger Foods Potluck will take place at noon followed by the Sweets Potluck that has been a fan favorite for years.

**In order to maintain the festive air of this event, everyone needs to comprehend that potluck lunches do not work unless everyone participates. Please, even if you are not a great cook, check in to see what you can contribute. Finger foods include: chips, pickles, veggies, etc. We typically run low on paper plates. Utensils are a great contribution. Cash to purchase food (in lieu of making food) is acceptable if given in advance. See Catherine Brison to exercise the cash option.
