

SPECIAL LUNCH PROGRAM

We are happy to introduce ...My Hot Lunchbox - for special lunches one Friday a month.

Instead of filling out the “Special Lunch Form” and writing a check, parents will be able to go on line and order their lunches for their children and pay on line. My Hot Lunch will do a monthly delivery which falls in line with how we are currently doing things. The meals will still come from our local restaurants, Edens, Village Inn, and this year we are introducing Chick-Fil-A and Noodles and Co. There will be gluten free options as well! There are no service fees to sign up and it’s easy. Parents order online, the meals are delivered.
