March 17, 2020

Dear Parents/Guardians:

The Homer-Center School District will be providing free breakfast and lunch meals for any child ages 1 through 18 throughout the duration of the school closure. The free meal program will begin Thursday, March 19, 2020 from 11:30 am to 12:30 pm. The meal distribution program will continue operation Monday through Friday throughout the duration of the school closure.

We will implement a "drive thru" concept that will occur on the front circle of the Homer-Center Elementary School. Individuals picking up meals will enter the campus from South Main Street. A school security officer will direct individuals to the designated meal pickup location. When arriving at the designated pickup location please remain in your vehicle and school personnel will ask you the number of meals needed. Children receiving meals do not need to be present at the pick up location to receive the free meals.

If you have any questions regarding the free meal distribution program, please email Susan McLoughlin, Food Services Director at smcloughlin@homercenter.org.

Please continue to follow our district webpage at homercenter.org under the Coronavirus Updates link for any additional information regarding the free meal distribution program or any other related information.

Sincerely,

Curtis A. Whitesel
Superintendent
