Community Café

to talk about the future of care
for our kids with special needs

Let's talk about how to strengthen care and support programs for our children & youth with special needs. We will work together to reach a shared understanding of what families need to get the right care, at the right place and at the right time.

Supported by the Colorado Department of Public Health & Environment in collaboration with the Otero County Health Department, the Pueblo Department of Public Health & Environment, and Health Colorado, Inc.
