

In order to raise awareness for Breast Cancer, Grand Prairie Elementary will be participating in a district wide decorating contest. Teachers and staff will "Paint the Town Pink" by decorating their classroom doors and the main building. If there is someone you would like to recognize as a survivor or honor the memory of a life lost to breast cancer, please send us their name. We will create a pink ribbon for them and attach it to our *Join Hands for a Cure Tree* that we will be creating.

If you have any pink ribbon, signs, decorations, etc. or would like to donate \$1 to help purchase decorations, please send them. Judges will be arriving Friday, October 11th. We ask for all students to wear a pink shirt to show support on that day.

The teachers will also be competing in an additional contest within our school. Once all decorating has been completed, I will post pictures of each of their classroom doors and post to the school's website, Facebook page, and a remind text with a link to vote on the most creative. The winning classroom will receive a Popsicle Party.

This is a cause that is very close and dear to many of our hearts. Your support is greatly appreciated!

"If We Join Hands, the Cure Could be an Arm's Reach Away"
