### Parent Notification Title 1, Part A Funding 2018-2019

Dear Moody ISD Parent or Guardian:

Our schools receive Title I funds through the Every Student Succeeds Act (ESSA). The purpose of these funds is to assist our schools in improving student achievement, staff development and parental involvement. All of the schools in Moody ISD operate as School-wide Programs. Our schools use Title I funds to enhance the regular district instructional program to:

- ✓ Support parent and community involvement efforts
- ✓ Increase instructional time in reading
- ✓ Purchase additional instructional materials and supplies

#### TITLE I PARENT INVOLVEMENT

The Title I program for parents is designed to 1) inform parents about Title I regulations, 2) involve parents in local Title I decisions, 3) provide literacy training, 4) offer parents training in schools, and 5) encourage active participation in their children's schools and education. Public Law 103-382 requires:

- All Title I schools to develop jointly, with parents of participating children, a parent-student-teacher written agreement that states what parents, students and the school will do together to raise student achievement.
- Schools must sponsor an annual meeting for all Title I parents and involve parents in an "organized, ongoing, and timely way" in the planning, review and improvement of Title I schools.
- Each Title I school utilize a percentage of its Title I allocation to support a comprehensive parental involvement program.

I invite you to contact me with any questions or concerns you may have regarding the District's efforts to improve the education of your child. Thank you for all that you do to help us!
