

TRAVIS SCIENCE ACADEMY

CLASS OF 2020 PRESENTS

Please join our Travis 8th Grade Class for a day exploring the issues and important actions related to our SERVICE TO COMMUNITY.

Student groups and individuals will display the results of the MYP Community Projects during a special SHOWCASE DAY at Travis Science Academy Gym.

We will inquire into the relationships between people around the world and here in our local area; students will outline how they connected to the issues that impact them as the future generation of the Global Community.

COME JOIN US IN OUR SALUTE TO SERVICE!

January 28, 2020
