## 2018-19 Education Protection Account (EPA) Actual Spending Plan

Proposition 30, The Schools and Local Public Safety Protection Act of 2012, approved by the voters on November 06, 2012, temporarily increases the state's sales tax rate for all taxpayers and the personal income tax rates for upper-income taxpayers.

Proposition 30 provides that all K-14 local agencies have the sole authority to determine how the funds received from the EPA are spent, but with these provisions:

*The spending plan must be approved by the governing board during a public meeting.*

*EPA funds cannot be used for the salaries or benefits of administrators or any other administrative costs.*

*Each year, the local agency must publish on its website an accounting of how much money was received from the EPA and how the funds were expended.*

JAA is scheduled to receive \$1,903,072 for the current fiscal year. Below is illustrated the intended use of those funds
