Criminal Background – Applicant Information

At the beginning of the Certified Nursing Assistant program, students are fingerprinted and checked by the Department of Justice for criminal background history. If an applicant has questions or concerns regarding the content of his/her criminal background and how it may affect their application status, the applicant is urged to contact the California Department of Health Services. It is the applicant's responsibility to ensure he/she is eligible to apply for State testing/licensing.

A "yes" answer to any of the questions below may result in denial of a CNA license by the California Department of Public Services. It is recommended that you contact CDPS (address and phone number below) to identify the possibility of denial.
