

***Father Judge High School Christian Service Program
Senior Reflection Assignment
two to three pages typed, size 12 font, Times New Roman***

In your first semester course *Living as a Disciple of Jesus Christ in Society*, you have studied the seven themes of Catholic social teaching. Discuss how at least one of these themes relates to the Christian Service you have performed. Looking ahead to your second semester Theology course, *Responding to the Call of Jesus Christ*, describe your understanding of what it means to be a holy person and how this is connected to performing service. Find a quote from Francis de Sales that supports your view. Explain how you feel about the service you have performed as a Father Judge High School student over the past four years. What would you tell a freshman about the benefits of the Christian Service Program? Looking ahead, do you think that you will continue to respond to the call to service as a young adult? Why or why not?
