Tuition Assistance

For most families, investing in private school education requires careful financial planning. To begin the process of providing a rewarding experience at Aquinas for your son or daughter, we have provided the Tuition and Fees for the 2020-2021 school year in this packet.

Aquinas is committed to serving students from all economic backgrounds. In the 2019-2020 school year, $414,394 was given in need-based financial aid. All financial aid begins with a FACTS Grant & Aid Assessment. We realize discussing finances can be difficult, but we are not new to these conversations. Please do not hesitate to make an appointment to discuss the process.
