

ACE NEWS

Toddler Class Newsletter | October 2019

Music

This month in Music we will introduce students to the composer Bach.

We will also learn:

- Dynamics
- Tempo
- Beats
- Notes: D E F G A
A B C D E

Technology

This month, students will continue improving their mouse skills while learning letter sounds and taking pictures. In Reading Eggs, students will practice double clicking, clicking and dragging, and mouse movement control. With their mouse skills, students will change photo filters and take pictures in Photo Booth.

Art

In Art, students will be learning about Vincent Van Gogh and his style of art. Using different types of medium, students will be creating artwork tailored to their age group.

STEAM

We are off and running in STEAM! We have been reading fairy tales to identify what the "problem" is that needs to be solved. Once we identify the problem, we can work on solutions. We have learned about the push/pull force of magnets, built bridges, and even designed different habitats for different types of animals in the zoo.

Happy Fall!

Wow! Can you believe it is already October? The Toddler class is doing well and we are so blessed to have your child in our class! September flew by and we have loved getting to know your precious little one.

As always, please do not hesitate to contact me at mrsabrahams@myschoolace.com with any questions or concerns. It is my pleasure to serve you and your child along their educational journey.

Monthly Goals

Our monthly goals include things we will be learning in the classroom as well as things we are learning as part of our socialization and independent skills. These include patterns, sorting by color, and walking in line with a bubble in our mouth and our hands behind our backs. We are continuing to learn how to share and take turns and how to independently go to the bathroom. We are reviewing the shapes, letters, and colors we learned in September.

Upcoming Events

October 1

Students need to bring jackets to school daily starting today
