

Dear Holy Family Community,

Holy Family School is very proud to be a leader in providing a well-rounded, high quality education, rooted in our Gospel values. The challenge we face is the actual cost to educate each student, is approximately \$1,800 more than our tuition covers. We work to keep tuition as low as possible, but can do so only by supplementing our operating budget with fundraising programs, such as our Annual ***Gift of Faith*** campaign.

Last year, with your generous contributions, we were able to invest significantly in our campus facilities, including the exterior painting of all our primary buildings, a purchase of new Social Studies textbooks in Grades 6-8, a new security fence for our school, and 2 class sets of Chromebooks as part of our new Chromebook Initiative. Thank you for helping us make these wonderful additions to our school happen! This year, we are planning to focus on improvements in the following areas:

- ***Continuation of our Chromebook Initiative***
- ***Restoration of our field for athletic and recreational use***

We are asking all families to prayerfully consider a gift of **\$375** or more; however, if that's not possible, our goal is **100% participation by at least returning your pledge card, no matter the size of the gift.**

- You can contribute via Debit/Credit cards or PayPal via our Holy Family School website
- Take advantage of your **corporate matching** program if this is available to you
- Reminder – **Contributions are tax deductible!**

We are most grateful for the many sacrifices you continue to make for Holy Family School, and are honored by the faith you have placed in us as we partner with you to educate your children. Thank you for your commitment and support of Holy Family School!

Sincerely,
