All ninth graders **must take 6 classes** each semester: English, Math, Science, P.E., and 2 electives. **Your ninth grade English and Science placement will be recommended by junior high teachers.* All students must take and pass two semesters of a fine art elective and one semester of a practical art elective to graduate from high school. All ninth grade students must also take one semester of the Freshman Seminar/Health class. See the Valencia High School Registration Guide on www.valenciavikings.com for a description of all the courses offered and their prerequisites. Remember elective classes are subject to availability.
