Acceptable Facemasks for SY21

OSSD will require students to wear masks on transportation and in hallways. Below is an explanation on what is considered an acceptable mask.

MASKS THAT ARE PERMITTED:

- Masks should be 3-ply
  - (ex. Medical masks, cloth with filter)
    - Example of a 3-ply mask
    - Can be found at CVS, Walgreens, home improvement stores, Walmart, Amazon, etc.
  - Waterproof masks are recommended, but **NOT** required
  - Cloth masks (including homemade) that have a pocket for a filter, or are constructed with three layers
    - Example of a cloth mask with filter
    - Can be found at Old Navy, Amazon, Walmart, etc.
- Masks that meet the above requirements can be any color

MASKS **NOT** PERMITTED:

- Neck gaiters, bandanas, and scarves are not considered an acceptable facemask
- Face shields

**NOTE:** Masks are considered to be part of the dress code and should adhere to dress code policy **JCDBA - Personal Appearance Regulations**. Masks that do not adhere to the guidelines of the dress code will not be permitted.

Parents of students with disabilities that are unable to wear a mask may contact the Department of Student Services for further consultation.
