

“i am ENOUGH” is a unique, one-of-a-kind character development program offered to public/private schools for 6th – 8th grade students. It is an amazing, life-changing program that provides thought-provoking material on self-worth, purpose and integrity.

Middle school students who participate in the i am ENOUGH program not only learn their value and purpose, but they also begin to see themselves differently. While attending i am ENOUGH sessions, “light bulb moments” occur. Students become confident tweens / teens who are empowered to make positive choices.

“i am ENOUGH” includes 4 sessions in each program; totaling 24 sessions in all.
