Cathedral High School
School Closure & Distance Learning at Home

Friday, March 13, 2020

**EFFECTIVE IMMEDIATELY**
Cathedral High School will be closed beginning Monday, March 16th (offices will be open as usual). On Monday and Tuesday, March 16th & 17th teachers will receive training with online distance learning so students can begin classroom instruction online beginning Wednesday, March 18th. The closure of the school will last at least two weeks thru Tuesday, March 31st (classes on campus could begin on Wednesday, April 1st) but may be extended until classes resume after Spring Break (Easter vacation) on Monday, April 20th.

Cathedral will continue distance learning through online learning. It is very important that you stay active with your classes although you are not on campus. Google Classroom will be the school’s primary mandatory platform for student learning and communication. Please expect training from your teachers beginning on Wednesday, March 18th with full instructions on how your class will run.

Distance learning online for students will start on Wednesday, March 18th following an All Class Schedule at 8:20am with Period 1. Follow the school calendar to know what classes are meeting on each day. Schedules will be available on the school website. Attendance will be taken at the start of each class at its scheduled time.

**Expectations for Distant Learning for Students**
1. Students are expected to follow our regular school schedule from 8:20am to 2:20pm (1:30pm on Fridays). Your teacher will be providing online learning through Google Classroom.

2. Students are required to log on to Google Classroom during your scheduled class time. Attendance will be taken in the first 10 minutes of each class. Continued failure to report online during the scheduled class period may result in an “Incomplete” on your report card. Receiving an “Incomplete” would require you to come to summer school and pay for summer school beginning in June.

3. Students need to check Google Classroom and continue learning at home.

4. There will be expected interactive activity with the teacher during that period.

5. Remember we will start on Wednesday, March 18th with an ALL Class schedule at 8:20 am.

Stay safe and healthy during this challenging time as you take your classes at home!
