

Indian Trail sticks to Random Acts of Kindness

Indian Trail Junior High School's Project POP (People Offering Positivity) club sponsored a Duct Tape a Staff Member to the Wall fundraiser to support the Addison Community Switchboard recently.

Staff members Adrian Velasco, Raymond Cannon, and Ed Gimenez each spent a lunch period being taped to the wall. Students and other staff members contributed \$1 for each piece of duct tape they used to attach

them men to the wall. More than \$300 was raised and will be donated to the Switchboard to help support Addison families who are in need.

Project POP promotes kindness and has also recently brightened the days of staff whose cars had been RAK'd by club members. The students left candy attached to a card under the windshields of cars last week. The cards explained that this was a Random Act of Kindness (RAK).

An Indian Trail student almost gets taped to the wall along with staff member Raymond Cannon, as another student's enthusiasm almost traps him there. It was all part of a Project POP Club fundraiser for the Addison Switchboard.

Lemme at 'em!

Students at Indian Trail Junior High anxiously wait in line with their strips of tape to use to stick an ITJH staff member to the wall. Kids paid \$1 per strip of tape and ended up raising \$300, which they donated to the Addison Switchboard.
