## *Greetings and Welcome Raupp School Families!*

My name is Nicole Sexton, and I am the Principal of Raupp Elementary School. I have experience teaching preschool through fifth grade and have held leadership positions in early childhood education and elementary education. For the last three years, I have held positions in our district as Crowley Center Director and Carr Elementary Principal.

One of my passions is helping people. This is one of the many reasons I chose education as my path. I believe in partnerships, collaboration between home and school, and team work. I appreciate our work in developing and nurturing the whole child, focusing on support of physical, social-emotional, mental, and academic needs.

I am thankful for the opportunity to serve your family and our school community. I am excited to meet you and your child, and I look forward to getting to know your family. Your participation, feedback, and ideas are welcome as we work together to provide educational excellence at Raupp School. Our team is looking forward to a memorable year full of learning!

Sincerely,

*Nicole Sexton*
