March 1, 2019

Dear Parents:

The Glendora Unified School District operates a before and after school program at each elementary school. The purpose of this letter is to offer parents an opportunity to enroll their children in the EDC Program for the 2019-2020 school year.

The program is supported by the parents of children who participate. The cost, which is subject to change, is \$18 per day for the first child and \$17 per day for each additional child from the same family. Fees are billed monthly in advance and are due on the first of each month. Part time enrollment is offered. There is a three-day weekly minimum. Days are chosen prior to enrollment and students must attend the same days each week. The cost for part-time enrollment is \$20.00 per day.

The centers are open from 7 a.m. – 8 a.m. and after school until 6:00 p.m. each day that school is in session. The goal of the Extended Day-Care Program is to present enriching experiences which complement regular classroom activities and enhance the cognitive, physical, emotional and social development of each participant in a safe and supportive learning environment. Homework assistance is also provided.

Applications may be brought in or mailed to the Child Development Office, along with a **\$120 non-refundable deposit** for each student being enrolled. The deposit includes a \$30 registration fee. The remaining \$90 will be credited to the first five days of school. If you are registering after the school year begins, the month's tuition plus \$30.00 registration will be payable at the time of registration.

**Registration opens March 1, 2019. Please be aware that sites tend to reach maximum capacity level. Early registration is highly recommended.**

Applications from families with outstanding balances cannot be processed until the account is paid in full.

If you have any questions or need additional information, please call the Child Development Office at 626-852-4586.

Sincerely,

Michelle Gallo  
Program Director
