Step 3: Enter your email address, (UID@kernhigh.org). Then click Sign In.
Step 4: Enter your password (your temporary password is your birthday YYYYMMDD. As an example!19801106. Click Sign In.

Step 5: Enter the same temporary password and then create a new password in the middle box and type that same new password in the third box to verify the new password then click Sign In.
Step 6: Click **Next** when you see the next window.

Step 7: We recommend setting up a phone number for future troubleshooting issues but you can skip this step if you wish.
Step 8: If you choose to use a phone number you will receive a 6 digit code from the text messages on your phone. When you receive that number, enter them in the empty box and then click Next.

Step 9: Now that your password has been reset and your account is setup, you need to wait 5 minutes for the Office 365 system to communicate with the district system before your password will work.

Step 10: After you wait for the 5 minutes, click on this link Canvas to get to the Canvas site or click on the Canvas icon on the Student Resources page. Then use your UID@kernhigh.org and your new password to log into Canvas to see your class information.

Resources for Students

The Kern High School District is committed to providing resources for students to make navigating the high school experience easier and more efficient. The time you spend in high school is brief but full of excitement, challenge, and promise. As the need for more educational attainment grows, students need to be prepared for the opportunities that will be available in the coming years in order to be successful in the 21st century workplace and at the post-secondary level.

The high school counselors put together the Resource Guide to help students understand the importance of each academic year—freshmen are meeting new friends, deciding on what
