In addition, student-employees must take an unpaid meal break of at least one half-hour for every work period of more than five hours. However, if six hours of work will complete the day’s work, the student-employee may voluntarily request his/her supervisor to not take the meal break. The meal break must begin prior to the end of the fifth hour of work.

California law does not permit minors to work in excess of 8 hours per day. By signing this agreement, sponsor agrees to abide by California law. Sponsors and Student-Employees are responsible for accounting for time worked. Student Work-Permits and detailed regulations are available upon request from the CRHSS Work-Study, Inc. office.
