### WHY YOU NEED AVID

Do you want to be a better student? AVID is the way to go!! AVID stands for Advancement Via Individual Determination. Want to know why you should be in AVID? AVID helps with organization, grades and college readiness.

### WHY YOU NEED AVID!

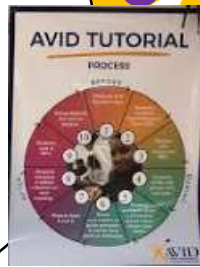

First of all you have a binder for all your classes that is very important in AVID. It keeps you organized with tabs for every class. Helping you with organization, and your grades, is a key point in AVID.

# AVID BENEFITS

***AVID is the way to improve yourself as a student and your key to success at the next level.***

## *LEARN HOW TO TAKE GOOD NOTES*

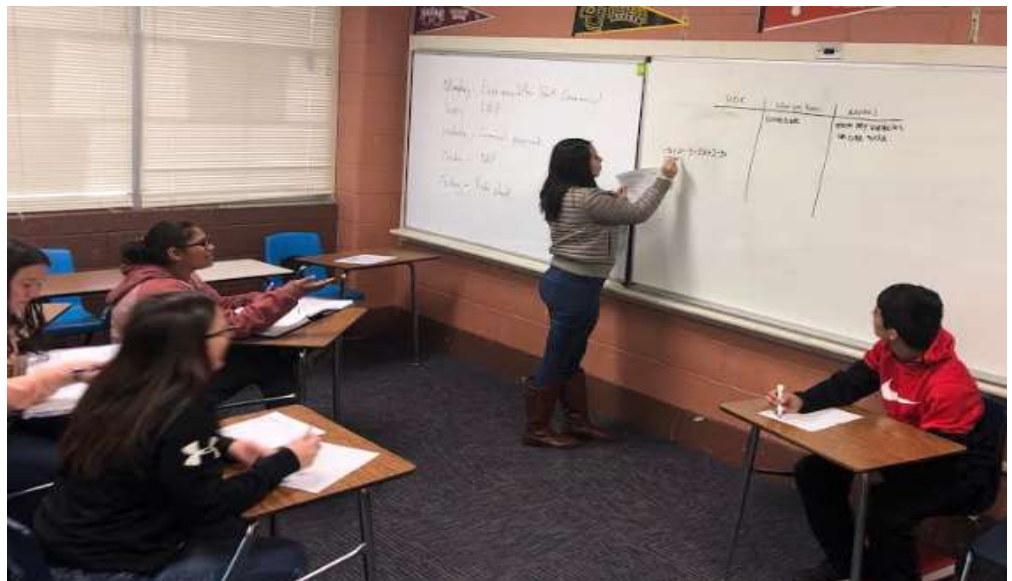

We have Cornell notes which are advanced focus notes, which you will create from your classes. This will help in your classes to use as a study guide for any tests. Once you start making your own notes using this method, it will be a benefit for you and your grades.

## *YOU CAN BE READY FOR COLLEGE*

A big reason you need AVID is to prepare for college. AVID teaches you to be responsible, hardworking and will have you more prepared than any other students on campus.

## *WHY YOU SHOULD JOIN*

AVID will help you better yourself to become an organized student. We are a family that grows together, and together we can prepare ourselves for college and our future.

*"AVID helped me open up to more people and teachers!"- Angel*
