

Dear Parents and Guardians,

The Brentwood Elementary 3rd and 4th grade holiday program, "The Reindeer Whisperer," will be held at the Northwood Gymnasium on Wednesday, December 19th 2018 at 6:00 pm. The program will last roughly 30 minutes. *(All students will be meeting in the cafeteria/commons 15 minutes prior to the program at their teacher's marked table. Students should not be away from their families or in the halls unattended. After the program students will return to the cafeteria tables for parent pick-up.)*

Most students in this program will be able to wear nice holiday clothes of their choice. Some students have been asked to play a character in the program and will be wearing a simple costume. If your student is asked to wear a costume you will be given a notice about which part they have and the words they should practice for the show. These students do not have to memorize their lines, but should be comfortable enough to read the words into a microphone. Please refer to the back of this sheet for clothing ideas if your student has a part in the program.

Thank you!
Laura Bennett

(All students, please try not to wear sweaters as it will be too warm)

If you have questions or concerns please call (509) 465-6237.
