Special Notes:

- This Accident Insurance policy is secondary and pays on accident claims after other insurance has paid. If there is no other available insurance this accident insurance policy becomes primary.
- This Accident Insurance provides limited benefits on all PreK-12 students for school-sponsored and supervised activities. Parents may wish to consider purchasing the voluntary 24 hour Accident Insurance available online at www.k12studentinsurance.com.
- If an insured student has an accident a school administrator must complete and sign the designated area on the accident claim form. Then it is the parent or guardian's responsibility to complete the remainder of the claim form and return it, along with all itemized bills, to the claims office by email, fax or mail (addresses on the claim form).
- For questions pertaining to a claim contact the claims office at 1-866-409-5734 or at K12claims@hsri.com.
- This is only a summary of the student Accident Insurance. For complete details including exclusions refer to the master policy on file in your district office. Any discrepancies between this summary and the policy, the policy will prevail.
