

The OLA Student Council is offering free homework help to students from grades 2 to 6.

Homework help will take place every Monday and Wednesday (see dates to sign up below) after school from 3:00 to 4:00pm. Students will be picked up at their homeroom class by a Student Council member and brought upstairs.

During this time, students will be able to get their homework done with the help of an older student and practice the skills that they are learning. This is a great opportunity for the students since they will be able to receive help in a stress free environment and from a different point of view. If you would like, your child may bring a small snack.

If there is time left over they will play some fun learning games.

We hope to see many students at our homework hour.
