

## Notre Dame High School Parking Regulations

Notre Dame High School will provide approximately 200 reserved parking spaces for our students. To insure a secure, safe and orderly parking environment, all students will follow the following rules and regulations:

1. Only students with a reserved parking space will be allowed to drive on campus.
  - a. Students must only park in their assigned spots.
2. No student is allowed to transfer or sell his/her parking space.
3. A reserved space not used for thirty days will be deemed not in use and will be reallocated to another student.
4. A student may have his/her driving privileges revoked at any time by administration if it is felt that the student is driving in an unsafe manner.
5. Reserved parking spots are allocated in the following manner:
  - a. Spaces are assigned to students on the basis of seniority and the date received.
  - b. Incomplete forms will not be issued spots.**
  - c. After August 1st, assignments will be given in the order in which they are received.
6. The student is issued a parking tag to be placed on the rearview mirror.
