

My Portal

❖ What is My Portal?

MyPortal gives students a **one-stop** location to access college services, such as WebAdvisor, registration, grade reports, Financial Aid status, access to online instruction and college emails as well as an avenue to communicate with instructors.

❖ How do I set up my account?

Go to <https://portal.rcc.edu/> to sign in with your RCCD E-mail Address. Your INITIAL temporary password will be your first initial of your first name upper case, first initial of your last name lower case, followed by your 6-digit date of birth (EX: Jw061078). You will then be permitted to change it to a private password.
