

BOARD REPORT

Randolph Field Independent School District

January 25, 2019

School Board Recognition Month

The people who make up the Randolph Field ISD Board of Trustees are uncompensated and, all too often, unsung for their efforts. Board members volunteer their time because they care about their communities and about the children in the community. RFISD Board members were given gifts of appreciation from the students and campuses they serve, were thanked by various student organizations such as the boys' basketball team, AFJROTC, and HOSA. They were also provided an excellent cheer from our elementary cheer club, and a meal by the MS. We want to say thank you to the Randolph Field ISD Board of Trustees- Patrick Luna, Vanessa Bowden, Jimmy Cornelius, and William Morrison for their support and dedication to the faculty, staff, and students.

RFISD Board Approves Moving Forward with Selective Demo and Renovation Work

The Board of Trustees voted unanimously to move forward with selective demolition work of the old high school building and renovating the old cafeteria structure into a multi-purpose facility that includes space for technology and innovative learning. The district currently uses the space for large group needs. Keeping the space will continue to serve the needs of our campuses while providing 21st century learning opportunities to our students.

Board Receives Annual Performance Report

The Board of Trustees held its annual public hearing for the TAPR (Texas Academic Performance Reports). Mrs. Bendele, Associate Superintendent of Curriculum, Instruction, and Accountability, reported that RFISD remains well above the state average in all indicators, including SAT and ACT scores. She also reported that RFISD received an A rating from T.E.A., and was recognized as the number one district in the San Antonio area. The students and teachers of RFISD are to be commended for their continued success on state mandated exams.

Superintendents Contract Extended

The Board of Trustees conducted the annual superintendent appraisal and voted to extend Superintendent Lance Johnson's contract through January, 2024.

Other business as usual: Minutes approved, district finance report, news from campuses

Next Board Meeting: February 28, 2019- 4:15 p.m.
